Revised Statutes, 1897—We have made arrangements with the Queen's Printer, and are prepared to supply any number. Special terms to municipalities ordering more than three sets.

Consolidated Public Health Acts—With amendments to date—These should be supplied to the members of every local board of health. Price—20 cents each, six for \$1.

Consolidated Municipal and Assessment Acts, 1892.—Price \$1.50.

Jones' County Constables' Manual, or Handy Book—Compiled from the Criminal Code, 1892 3, with schedules of fees, crimes and punishments, the court and jurisdiction, all in such a compact form that it can be easily carried in the pocket. This book is excellently printed and bound in red and gold. Just the book required by a constable, and very useful to a magistrate. The work is correctly compiled from the criminal code. Price 75 cents.

Clark's Magistrates' Manual—3rd edition, revised, enlarged and improved—In the preparation of this edition of the Manual, the English and Canadian cases decided since the publication of the last edition are all noted, together with the numerous changes of the statute law and criminal code of 1892. To justices of the peace, mayors and Reeves, who find it necessary to act as a magistrate in their municipality, this book will be found very useful and save them the trouble of looking up and interpreting the statutes in complicated cases. Price \$5, leather.

The Canadian Lawyer—2nd edition—It contains just what you want to know. It is reliable, being compiled by a lawyer in active practice. It is practical, containing those points arising most frequently in every day life. It contains over 225 forms, which alone are worth more than the price of the book. Price, in cloth, \$1.50.

The New Conveyancer—By H. A. O'Brien, Barrister—Has been prepared with great care and research, and embodies important changes not made in any other Conveyancer published. The forms are concise, but complete, useless verbiage being omitted. Full explanations are given, so as to make each form adaptable to varying circumstances. It can safely be used by students and other unfamiliar with legal terms. Bound in half calf. Price \$3.75.

Lytle's Rate Tables—For Collectors' Rolls—This valuable little work is intended to assist clerks in entering taxes in the collector's roll. It gives rates by tenths of a mill, from one to nine and nine-tenths mills. The author, a clerk of considerable experience, knowing what was wanted, issued the work, which should be in the office of every clerk. Price \$2.

Drainage Laws—Consolidated in one book, with amendments of 1895 6, neatly bound in cloth, complete index. The Drainage Act, 1894—The Ditches and Watercourses Act—The Tile, Stone and Timber Drainage Act. Price 30 cents.

Ditches and Watercourses Act, 1894, with Amendments of 1895—By Geo. F. Henderson, Osgoode Hall, Barrister-at-Law.—A Handbook of Procedure, containing the recent changes in the Statute Law with judicial interpretations of the same. The copious annotations, explanatory references and a carefully prepared digest of reported cases in Ontario Courts bearing upon the subject make the work of especial use to township engineers and surveyors, as well as members of the legal profession. Price. \$1.
