

BABY'S DEFENCE

FROM INFANCY TO WOMANHOOD

FOR 50 YEARS

"BABY'S OWN" SOAP

has been the constant toilet companion of thousands—the ideal soap for every skin

The pure vegetable oils and flower perfumes used in its manufacture have always been the best, which is the reason why "Baby's Own" is the nicest and finest soap in Canada. From Infancy to Womanhood no other soap should be used

Baby's Own Soap

Need we add that imitations of "Baby's Own," made as cheaply as possible, are necessarily very injurious to the skin
