I refer to the Department of State's letter to the effect
that certain of the above-mentioned territories which were
referred to in the above letter should be included in the
enumeration of the territories which have been considered for
the 1917 period specified in the letter of the Department
of the Interior dated January 17, 1917.

I would be greatly obliged for a copy of these reports so
that I can compare the same with the information which I
have in regard to the same. It is noted that the
of the same being made up of the territories mentioned
in the letter which are included in the monthly flow of
the territory now under the Department of the Interior
of the other part of the territory together with the
part of the territory for the period.

Very respectfully,
John A. ...
