## VACATION PROVISIONS, POLYMER CORPORATION

## Question No. 315—Mr. Douglas:

1. To how many weeks of annual vacation are the employees of the Polymer Corporation entitled?
2. Did all employees receive the full annual vacation to which they were entitled in 1965?
3. If not, how many employees did not receive their full annual vacation?
4. If not, what were the reasons why such employees did not receive their full annual vacation?

**Hon. C. M. Drury (Minister of Industry):**  
Polymer Corporation Limited reports:

1. Wage employees of Polymer Corporation are entitled to two weeks vacation after one year of service, three weeks after ten years of service and four weeks after 20 years of service. Salaried employees are entitled to two weeks vacation after one year of service, three weeks after five years of service, four weeks after 15 years of service and five weeks after 25 years of service.

2. All but 21 employees of the company received the full annual vacation to which they were entitled in 1965.

3. Twenty-one as indicated above in part 2.

4. The remainder of the vacation periods for the 21 employees were set over into 1966 by mutual agreement because of sickness or their involvement in special assignments or projects.

[Mr. Winters.]

## MILITARY MISSION TO NIGERIA

## Question No. 352—Mr. Winkler:

1. What are the names of the countries to which Canada has dispatched military advisory missions?
2. If Nigeria is included in these countries (a) when was the mission sent (b) who requested it (c) what was the strength of the mission (d) what is the nature of the equipment it uses (e) what is the per diem cost of the Canadian mission (f) does Canada pay this entire cost (g) is the mission still in Nigeria (h) is the mission advising the present regime (i) has any other Commonwealth country sent a military mission to Nigeria?

**Hon. Paul Martin (Secretary of State for External Affairs):** 1. Canada has dispatched Canadian forces teams to Ghana, Nigeria and Tanzania. The functions of these teams are training and, in the case of Tanzania only, the provision of advice concerning defence organization.

2. (a) In June and July 1964; (b) the Nigerian government; (c) two officers of the Royal Canadian Navy; (d) Nigerian supplied equipment for tuition in navigation, hydrography and electronics; (e) costs of normal pay and allowances for both these officers, which are borne by Canada, amount to a total of about \$16,500 per year; (f) all other costs, including allowances for foreign service normally paid to members of the Canadian forces, are borne by the Nigerian government. The total cost to the Nigerian government of
