Professor Stephen Leacock;
Orillia, Ont.

Dear Dr. Leacock:-

Sir Arthur has received a telegram and letter from the American Review of Reviews asking him to recommend some one who could write a good article on the Province of Quebec. I enclose a copy of the telegram and of the essential portions of the letter.

I wonder if you would be good enough to wire him the name of anyone whom you could confidently recommend for this job. We thought of Hemmoen and Carleton Stanley. Naturally the Principal is anxious to get some one on our own staff if at all possible, but it is hardly necessary to point out that the range of information asked for is a very broad one.

With kind regards,

Yours sincerely,

Wilfrid Bovey.
