BIGGEST YIELDS SEEN IN ONTARIO

Farmers Busily Engaged in Golden Harvest, Best for Years.

THRESHING VERY SOON

Great Advance Made by Agriculturists During Fine Weather.

In nearly every harvest field in Ontario yesterday, farmers were busily engaged in cutting the golden crop of wheat or gathering it into barns, while others even more advanced were cutting the best crop of barley ever grown in the province. Some, there are a few, have not yet garnered all their hay, the cutting of which has been away ahead of anything hoped for in the earlier part of the season.

Probably there never was in Ontario a day in which so much advance was made along harvest and general farm lines as yesterday in the cutting and stooking of wheat, the drawing of it in the cutting of early fields of barley, the clearing of roots, cultivating the fodder corn already from four to six feet high, and the cutting of the oat, which is now in full swing. The click of the binder will be followed by the hum of the thrasher, and in a fortnight the greatest crop of wheat Ontario has seen in 25 years will be pouring into the hoppers.

VILLAGERS WON OUT IN FRIENDLY MATCH

St. Matthews and Unionville in Bowling Tournament—Other Local Items.

In a friendly match between three links of the St. Matthews Lawn Bowling Club of Toronto and Unionville on the latter's green yesterday, the villagers won out by the narrow margin of five points. A return match will take place on the St. Matthews grounds on Thursday afternoon.

John Young of Hagerman's Corners, one of Markham's best farmers, has installed a modern Case threshing outfit driven by a 15 horsepower gasoline engine. The outfit is largely for Mr. Young's own work on his well-titled farm.

Mr. and Mrs. C. H. Stiver and Mr. and Mrs. William Pringle of Unionville, who have been on an extended trip to the northwest, returned home last night, delighted with the outing and the great prospects for the coming harvest.

The jitney service between Markham Village and East Toronto, inaugurated a week or two ago, has been discontinued. It is probable that another service, well equipped for the work will be started within a short time.

During the next month Rev. Mr. Ferguson, pastor in charge of the Unionville Methodist Church, will conduct the services of the Eglington Methodist Church morning and evening.

The members of Unionville L.O.L., No. 258, will parade to St. Philip's Church at 3 p.m. on Sunday, where a divine service will be conducted by Rev. Mr. Johnson.

SOCIETY

Conducted by Mrs. Edmund Phillips.

Her Majesty Queen Mary gives big tea parties at Buckingham Palace every week, and the guests are only those who have done practical work for the war. Tea is served on the stone terrace, and among the guests are many wounded officers from the front. There is always a distribution of gifts to the men after tea, and they include silver-mounted sticks, smart rings and signed photographs, while the delight of the afternoon is the photograph of the soldier guests, sometimes taken by the queen herself, and sometimes with Queen Mary in the centre. Copies of these are privately circulated among the happy guests. One of the soldiers confided to Princess Mary one afternoon that "we chaps who are not so badly done for are having the time of our lives."

There will be a dance at the Royal Canadian Yacht Club this evening, from 8.30 to 11 o'clock.
