Law Society of Upper Canada.

TRINITY TERM, 1889.

This notice is designed to afford necessary information to Students-at-Law and Articled Clerks, and those intending to become such, in regard to their course of study and examinations. They are, however, also recommended to read carefully in connection herewith the Rules of the Law Society which came into force June 25th, 1889, and September 21st, 1889, respectively, copies of which may be obtained from the Secretary of the Society, or from the Principal of the Law School, Osgoode Hall, Toronto.

Those Students-at-Law and Articled Clerks, who under the Rules are required to attend the Law School during all the three terms of the School Course, will pass all their examinations in the School, and are governed by the School Curriculum only. Those who are entirely exempt from attendance in the School will pass all their examinations under the existing Curriculum of The Law Society Examinations as heretofore. Those who are required to attend the School during one term or two terms only will pass the School Examination for such term or terms, and their other Examination or Examinations at the usual Law Society Examinations under the existing Curriculum.

Provision will be made for Law Society Examinations under the existing Curriculum as formerly for those students and clerks who are wholly or partially exempt from attendance in the Law School.

Each Curriculum is therefore published herein accompanied by those directions which appear to be the most necessary for the guidance of the student.
