

SUMMARY OF IRISH NEWS.

An extraordinary case of supposed poison ing is reported from Larino, county Antrim. A man named Henry, on June 8, purchased some veal, and having shared it with two others, all partook of it next day. On the following morning nearly a dozen persons had been taken the next day being alarmingly ill. One of these, an old woman named Walkoe, died from the effects of the illness. The others are slowly recovering.

At the opening of the Ennis Quarter Sessions, on June 12th, County Court Judge Kelly congratulated the Grand Jury on the peaceable condition of the county at present, and said he hoped it would continue.

On Sunday, June 24th, Most Rev. Dr. O'Connell, Bishop of Cork, performed the solemn dedication of the new church at Watergrasshill. The building, which has been erected on the site of an old church, is now in use for 140 years. The dedication sermon was preached by the Rev. P. A. Roche, C.C., Corcoran.

The Rev. Michael Martin, P.P. of Killybegs, has addressed a remarkable letter to the Daily Sentinel, in which he warmly eulogizes Mr. Balfour's policy and contrasts it with that of the present Government. He considers that Mr. Balfour's name should be forever held in grateful remembrance by the King's troops and Glacians, and that the great benefit conferred upon them in the construction of their railways. Father Martin undertakes to prove that Mr. Balfour was not a greater executioner than Mr. Gladstone or Mr. John Morley. As a constitutional statesman he had to administer the law and maintain order, and the coercion measures which his Administration were necessary to prevent the many crimes and outrages which were disgracing the land.

The departure of Brother Swan a distinguished educationalist from Dublin to take charge of the new college of the Christian Brothers at Bath is being availed of by some of the friends of the present him with a testimonial in recognition of his immense services to education during the forty years which he has labored in the city. A meeting of the friends of Brother Swan's able direction the Christian Brothers' school, North Richmond street, has long held a foremost place among the best schools in the country.

It is stated that from thirty to forty ejection processes will be applied for, on behalf of the Marquis of Clanricarde at the impending Quarter Sessions for the Gore district. The operation of the law in the generality of those in which many eviction campaigns have already been indulged, inasmuch as they affect a higher class of tenants. A meeting of the Friends of the Christian Brothers has hitherto been directed, with some exceptions, to the humbler, and, therefore, the most helpless and defenceless of the tenants of this notorious property, but now the blow is to be struck at the larger farmers.

The annual conferring of Orders took place on the Feast of Corpus Christi, at the Irish College, Fingert, under the presidency of the Rev. Most Rev. Dr. Browne, Bishop of Clogher. The following are the names of the Kerry students selected to receive the Order of St. Saviour:—Rev. P. H. Maher, Duagh; Rev. T. Crowley, Castlegray; Sub-Dean Joseph—Mr. T. J. Lyons, Killybegs; Mr. T. O'Shea, Killybegs; Mr. T. O'Reilly, Trillick; Mr. J. B. Cahill, Trillick.

The young lady who made her vows in the presence of the Most Rev. (in religion Sister Mary Elizabeth), eldest daughter of William Irwin, Esq., of Pallas, Kilmiddy.

Nenagh has been thrown into a state of the most intense commotion and alarm by a revolt among the men of the 4th Battalion Royal Irish Regiment (the North Tipperary Militia), at present undergoing their military training at the barracks. On the 1st of the outbreak has been the total wreck of an entire store, the damage representing a very considerable loss of property. The affair is generally the most serious, however, the dangerous injuries that have been inflicted on a number of the inhabitants, mostly women and children. It appears that an ill-feeling existed up between some of the men and number of the soldiers, and for days they had engaged in occasional petty rows.

His Lordship the Right Rev. Dr. Sheehan held an ordination at the Cathedral, Waterford when the Rev. Canon Sheehan was raised to the dignity of priesthood. The Rev. gentleman is the son of C. Sheehan, Esq. (Dungarvan) and nephew of the late Thomas Lawlor, Esq. (Enniscorthy).

Plaoads were posted throughout Mullingar, calling upon Catholics in the counties of Westmeath, Longford, and King's to keep away from the Mass on Holy Saturday. A committee selected August 1st, the Feast of Assumption, and declined to accede to the application of Bishop Nulty and the clergy in favour of an alteration.

If it can be known the value of crosses and altars they would regard them as gifts of God, and of such importance as to be greatly desired.—Ven. L. de Blois, O.S.B.

The great popularity of Ayer's Cherry Pile is as a consequence easily explained. It is something, heating, agreeable to the taste, does not interfere with digestion, and is the most economical of all similar preparations. It is prompt to act and sure to cure.

Catharsis Cured. (No pay asked for advice.) Mr. T. Miller, 39 Christopher street, Toronto, says: "Your issue of the 27th inst. contains a case of Catarrh of long standing in about which I have suffered for years. The treatment in pamphlet, pleasant and liberal. Method of treatment is very good. MEDICAL INSTITUTE CO., Toronto, Ont. Nov 1894."

LATEST MARKETS.

Toronto, July 3, 1895.

To-day's market, continued to be very depressed. Prices paid for everything were low. Buying for Montreal was slow and local business did not overtake much. In fact, some of the good export cattle remained in the pens. Cattle were depressed. Receipts to-day were not so good. There were 67 carloads of stuff in, which included 306 hogs, 1,042 sheep and lambs and 79 calves. Total receipts at the two markets for last week as received by Mr. Walker, were—Cattle, 1,236; sheep, 3,060; hogs, 1,330; weight fees, \$5.25.

Export Cattle.—The truth of the matter is that the market for this, it is scarcely worth writing about. Mr. James Eakins bought 12 carloads. Messrs. Duon & Thompson a couple and Mr. Crawford and Mr. Frost a couple each. The market for calves realized as poor that is hard to get real values. Quite a few of even the good cattle remained unsold. Nothing touched \$5 exactly to-day, most of the cattle being made at a receipt of 4 1/2 per lb. There were a few bulls sold to Mr. H. Mullin at prices ranging from 30 to 45 per lb. Sales:—One carload cattle, 1,200 lbs average, \$29 per lb; 1 carload, 1,150 lbs average, \$30 per lb; 13 cattle, 1,250 lbs average, \$31-33 per lb; 9 cattle, 10 lbs average, 40 per lb; 1 carload cattle, 1,300 lbs average, 50 per lb; least \$10 on the deal; 2 milk cows, 1,000 lbs average, 3 1/2 per lb; 1 carload cattle, 1,350 lbs average, \$1.66 per cow; 2 loads of extra choice cattle, about 1,300 lbs average, 60 per lb; 1 carload, 1,200 lbs average, \$29 per lb. Butchers' Cattle.—This line continues dull at from 30 to 40 per lb mostly. The best figure paid was for one load of fancy butchers' cattle at 40 per lb. Mr. H. H. Hagan bought a few carloads for Montreal. Some of the common cattle were hard to sell. One lot of "skins" sold for as low as 25c per lb and another bunch of the same at 15c per lb. The market for hogs was not so good. One lot of 30 hogs, 50 lbs average, 1,040 lbs average, 3 1/2 per lb; 1 carload cattle, 1,075 lbs average, 30 per lb and \$10 over on the deal.

Stocks and Feeders.—There was no demand for feeders. Messrs. Rodgers & Hagan bought some light stockers at prices ranging from \$2 to \$3 per lb. They expect 200 head, next Friday to go to Antwerp, for which they are paying 3c per lb. These weigh from 800 to 900 lbs each. No others are wanted. The market was firmer. Offerings were light and prices advanced 10c per lb for the best hogs. As high as \$4.55 per cow was paid for one, weighing 1,000 lbs. The market for hogs was not so good. Rough hogs are a drug and only a few breeding sows are wanted.

Sheep and lambs.—There was a steady tone to this line to-day, but prices did not advance any. Best shipping sheep were fairly active at from 30c per lb for bucks up to 45c per lb for ewes and weathers. But only a few sheep are a drug on the market. Some are in and can hardly be sold. Those going fetch from \$2 to \$3 per head.

Calves.—Quite a number of calves, all sold at prices from \$4 to \$5 per head for choice bunches. One or two choice veals brought higher prices. Only good ones are wanted. Milch Cows and Springers.—Nominal. No many offers and there is not much demand. Prices rule from \$25 to \$38 per head, the latter for choice springers.

On the street to-day 26 loads of timothy sold at \$15 to \$17, and 8 loads of straw at \$7 to \$8. 500 bushels of oats sold at \$35, and 300 bushels of oats at 40 to 41c.

Campbell, July 2.—At the cheese ball meeting, held to-night 847 boxes of white were boarded. The sales were—75 boxes to Warrington at 8c, and 60 to Hodgson Bros; at 8c; the balance unsold. The market was very dull, salesmen refusing to accept the offers made or set a price on their cows.

Medoe, July 2.—To-day 860 boxes of cheese were boarded. 13 factories were represented. All sold at 8c. Buyers present:—Warrington, Hodgson Bros., McCargue and Murphy.

Father Robert's Pic-nic at Arthur. The annual pic-nic in aid of St. John's Church, Arthur, to be held this year in Charnier's beautiful grove, Burwellville, on the 11th of July, has excited an unexpected amount of interest. The indefatigable efforts of Rev. Father Doherty, assisted by a willing and energetic committee, have made this great event, in point of attendance and the variety and excellence of the entertainments that are being provided for the occasion, exceed all previous gatherings of a similar nature. Highland pipers in costume and violists of repute and undoubted ability, and a band of music, are also to be present. The program of entertainments to be presented are:—Sonnets, Minister of Justice, Nicholas Flood Davin, M.P., Jas. McMillan, M.P., J. L. Haycock, M.P.P. Arrangements are also being made for a view at the excursion on the Grand Canal on the C. E. R. from Teeswater, Owen Sound and Toronto, and all intermediate stations, to Arthur on that day.

There is no lock so hard as the lock of malice in the human breast. There can even be something terrible in the unconscious state. There is the spirit of God's own fearful directness in it.—F. Marion Crawford.

BETWEEN LIFE AND DEATH.

The Narrow Escape of a Well Known Newburgh Man.

By the Loss of a Finger Mr. Chas. Moore of that Village Near Death's Door, but is Rescued after Heavily Pained!

From the Napanso Beaver. In the pleasant little village of Newburgh, on the Bay of Quinte Railway, seven miles from Napanso, lives Mr. C. H. Moore and family. They are favorably known throughout the entire section, having been residents of Newburgh for years. Recently Mr. Moore has undergone a terrible sickness, and his restoration to health was the talk of the village and many even in Napanso and vicinity himself again the result was that the Beaver reporter was detailed to make an investigation into the matter. Mr. Moore is a carriage maker and while working in his shop he fell while not waiting for an accident that caused him the loss of the forefinger of his right hand. It was following this accident that his sickness began. In fact, he was so ill that he was unable to do any work. He was so weak to the extent that sometimes he could scarcely avoid falling. He consulted physicians and tried numerous medicines, but to no avail. He was so ill that he was unable to do any work. He was so weak to the extent that sometimes he could scarcely avoid falling.
