Note and Comment

Canada's contingent of oarsmen and athletes leave this week for medals and glory at the Olympic games in Stockholm. Most will be expected of our own Argonaut oarsmen.

Hon. Coach Joseph Wright stated last night that the eight, and Butler, the single sculler, are in splendid shape. They trained nicely down to weight regardless of the backward season. There were only four good days since the ice left the bay and the weather has been unusually cold. Every man is down to weight and the officers of the club expect the crew to make the best showing at Henley and Olympia that ever was done by Canadians. In fact those who have watched the Argos at work will be greatly disappointed if they fail to win.

The Leafs are home to-day, fresh from their victorious jaunt to Buffalo. Just see how the fans forgot about those defeats in a row and how they root for three straight from Rochester. Unlike Montreal the Huskies are always easy for Toronto.

The Washington Senators are playing havoc with the western teams in the American League and are still unbeaten since invading the enemy's country. Four straight from St. Louis, Chicago and Detroit in quick succession and yesterday at Cleveland, besides a victory over Boston just before starting west, make fourteen games in a row and a season's record for consecutive victories. A great welcome is awaiting the team in Washington.

One catcher did double duty in a game between the teams of Columbia and Yagoo City, of the Cotton State League, at Yagoo City, on Tuesday. In the second inning of the first game the Columbia catcher was hurt, and there was no one to take his place. The Yagoo City catcher volunteered to keep the game going, and it was so agreed by the managers. He was behind the plate for fifteen innings and did good work for both teams, Yagoo City winning.

BEACH CANOE CLUB REGATTA ON SATURDAY

All roads will lead to Balm Beach on Saturday to the big regatta under the auspices of the Beach Canoe Club. The war canoe event is the chief feature among the paddlers of all the clubs. The Beach Canoe Club are equally confident of taking it away with them. The Beach Canoe Club are putting up handsome individual prizes for first and second in each event, and the visiting crowd to dinner after the race. Balm Beach will be in attendance during the afternoon, and the following program will be run off:

Single blade tandem (O'Callaghan Trophy).

Junior single blade single (Berkshire Medal).

Double blade tandem.

Senior single blade single.

Ladies' double blade single.

War canoe race.

The Double Endless Dragon Trophy will be given for the spring championship. This will be the first regatta at the Beach with a big open event, and they are leaving nothing undone to make this regatta the blue ribbon event of this season's aquatic sports. A formal dinner will be held in the evening when the prizes for the regatta will be presented.

T. & D. Council Lift Suspension Of Two Players

The T. & D. Council met in the Labor Temple last evening. The suspensions of Monahan of Wyckwood and Toston of Christie were raised.

The Referees' Association committee appeared before the council and lodged a complaint as to their members not receiving sufficient notice of time and place of game. All clubs are requested to note that the rule applying to this matter will be rigidly enforced in future. In the event of a team not being able to secure a ground in time, they must notify the league secretary immediately they have secured a ground.

The selection committee decided to play a test game on Wednesday next on the grounds of the T. & D. Council, representing the pick of the league. This will be to enable them to select the strongest team to play against Cobalt on Dominion Day at Varsity stadium. The kick-off is at 8 p.m., and all followers of the game are requested to attend and help to make a bumper gate, as the proceeds will go to the E. Clarke benefit fund. Following is the selection:

A Team—Goal, Harry (Baracas); backs, Campbell (Baracas), Brownie (Baracas), Baldwin (Eaton), Worrell (Eaton), Rows (Devon).
