MANAGER GIBSON IS RUSTLING GOOD MEN

Holden Signed for Outfield—Badly in Need of Catchers.

Manager Money Gibson of the Leafs believes in starting the season right. Money told local headquarters that he was going out to sign up a high-class team and he is doing it. George White, a man who has been in the field for some time, was secured for the left field job. Toronto fans know him and what he can do and are perfectly satisfied with the first step.

The second phase of the outfield was closed yesterday when a telegram was received from Gibson that he has signed Holden. This fills two positions in the outfield as the fans want. Money is a worker and at this point Toronto should have a real team this year.

Money is well stocked in pitchers and has a host of infield material. His next job to tackle is the catching department. Manager Gibson stands high in the confidence of the catching himself. He needs at least one first string catcher. The Leafs have nobody in sight yet, but leave it to Money. The well-posted fans look to George to come home from the big league camps next week with a real catcher in tow.

Manager Gibson left Gainesville, Fla., where the Pirates are camped in the grace of the Pittsburgh Club and should do something worth while in Birmingham.

Manager Gibson will be home early next week to look over the Leafs as they report. George would like some of the local semi-pros catchers to go over to the island and peddle their wares. Harry Taylor will be his assistant.

SIX STRONG CLUBS FOR CITY LEAGUE

Cricketers Reorganize After Fighting the Good Fight—Officers Elected.

The reorganization of the Toronto City Cricket League took place last night at the St. Charles Hotel. There was a large attendance and great interest was shown. William Harris occupied the chair and read a letter from L. Rawlinson, the president of the league, who is away in New York, stating that he wished the league every success and offering valuable suggestions.

The following clubs were represented: Toronto, Grace Church, Riverdale, Albion, West Toronto and Old Country. The first three clubs are old members of the league, the last three being recruits from the C. and M. League. As these six clubs will be very much on a par in cricket ability a splendid season is almost certain to ensue.

The meeting decided to play a proper schedule of games on the competitive principle as obtained previously to the war. A good number of the players held aside the bat for a more aggressive weapon. Quite a number have yet to realize and will, no doubt, be glad to be able to again get into the game without any delay.

The clubs will play on matting this season. The following officers were elected: Patron—His Excellency The Duke of Devonshire.

Hon. president—Mr. Dyce Saunders.
Hon. vice-president—Mr. H. Rutley.
Dr. J. B. Smith, E. Ward, J.P.; W. H. Miskely, P. O. Hawkins, R. S. Jackson, Rev. A. L. Grogan and A. N. Garrett.

The active officials are: President—Lionel Rawlinson.
First vice-president—H. G. Wooley.
Second vice-president—W. H. Forster.
Secretary-treasurer—G. Beardsall, 4 Rutherford Avenue, Mount Dennis.
Executive—N. Seagram, W. Cakbread, D. Cameron, E. Meicher, T. R. Smith, Wm. Harris.

The executive committee will meet April 10 to discuss matters in the constitution and make arrangements for the coming season.

OTTAWA PLAYERS ARE READY TO CARRY ON

Ottawa, April 3.—The return of lacrosse to the capital for the coming season was assured by the unanimous vote of play-lacrosse at the annual meeting of the Ottawa Lacrosse Club, which was held in the Russell House last evening. With the exception of one or two, practically all the members of last year's team were in attendance, and they voted their wishes to carry on under the same conditions as last season in no uncertain manner. It is expected that five teams will play in the N. L. A. this year.

The election of officers resulted as follows: Hon. president, T. A. Ahern; J. A. Pinard, M.L.A.; A. P. Phipps, M.P.; Dr. J. L. Cabot, M.P.; president, G. A. B. Boucher, M.P.; secretary, G. A. B.
