This week our window display of Furs has been admired by hundreds of people.

But it's much more satisfactory to come inside and see our superb exhibit of high-class Furs in its entirety.

You'll find the Muffs, Ruffs, Stoles and small Furs on the main floor.

The Fur Coats are shown in the Mantle Section—second floor.

We believe it will be to your advantage to look through our collection of Fur Coats before making a final choice.

Examine the skins carefully and note the beauty, elegance and quality of those found in our garments.

See the excellence of the workmanship—these fur coats were made by skillful workmen. We bought them from makers who are careful to turn out strictly first-class garments.

Remember, too, that we do not make exceptionally high profits on our fur coats. Same fair margin on them as on cloth coats, dress goods, etc. Make a tour around town and compare values—if you are not then convinced that you ought to leave your order here we will be rather surprised.
