outprising results from this famous old home-made syrup. Easily prepared and costs little.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with croup and you want quick help, try this reliable old homemade cough remedy. Any druggist can supply you with 2½ ounces of Pinex (50 cents worth). Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Or you plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, it desired. This recipe makes 16 ounces of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a

cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

Pinex is a special and highly concen-

trated compound of genuine Norway pine extract, and is probably the best known means of overcoming several coughs, throat and chest colds. There are many worthless imited tions of this mixture. To avoid discappointment, ask for "2½ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co.
