

REPORT OF THE Auxiliary Women's Foreign Missionary Society

We have just completed the 13th year of the McNab Street Church Auxiliary to the W. F. M. S., and in presenting the Annual Report we are sorry not to be able to claim an increase of membership over previous years. In 1887 this Auxiliary was inaugurated with a membership of 49, and an average attendance of 19, while the total offerings during the year amounted to \$202. In the past year the membership was 38, the average attendance 22, and the total offerings \$185.50.

It is with some regret, therefore, we find that after 13 years work we are not able to report more progress; still we feel we have much to be thankful for, and that any discouragements we may meet with will only call for more earnest prayer, and greater zeal and faithfulness.

During the 13 years we have contributed in all \$2,600 to the work. We feel thankful for the measure of success that has crowned our efforts, and grateful as well for the privilege we individually have had in our pleasant meetings during the past years, and we pray that our contributions have been truly consecrated to God, as we pray that the coming year will, with His blessing, show greater increase in our membership, and greater increase in our contributions. May our motto "The World for Christ" take a firm root in our hearts, and may every Christian woman throughout the whole of God's dominion personally feel deeply the individual duties devolving upon her. On this, the dawn of a new era, may their energies be given increased strength and impetus in the work of evangelizing the world, and their efforts be crowned in winning "The World for Christ."

Money and clothing to the value of \$32.67 were forwarded by our Auxiliary to the North-West.

Eighty copies of the "Missionary Tidings" are distributed monthly among the women of the congregation.

In January we had the pleasure of listening to Miss Riach, returned Missionary from Japan, and also to Mrs. Gregory, of Mansewood, who addressed our annual Thankoffering Meeting.
