

Poetry.

Character for the Young. Character is everything to the young, as it is the surest means to success in life.

Does Religion Produce Insanity? There is nothing in the constitution of Christianity or in the character of its glorious Founder, that is in any degree adapted to lead to such a result.

The Kitchen Garden. The best requires a deep, rich and pulverized soil. Sow in drills six inches apart, and when the plants are thinned, they should stand from four to eight inches apart.

The most favorable soil for the carrot, says Schenck, is a rich and mellow sandy loam. It should be spaded at least two feet deep, and finely pulverized.

The seed is to be sowed rather thinly in drills, about a foot apart. As the seed is light and apt to cling together, a caln day is more favorable for sowing.

Another common source of insanity, is unnatural and extravagant excitement, no matter what may be the subject or the occasion.

Supper-Phosphate of Lime. This substance, commonly called bone-earth, because a constituent of the organic substance of animals, is now receiving a large share of attention from agriculturists.

Beans.—The Kidney Bean (so called to distinguish it from the English, or Horse Bean,) is so well known, and so generally cultivated, as hardly to need any notice here.
