

OLD RIVALS EACH TOOK ONE GAME

Matches of Shamrocks and Nationals in October 1887

TEN INNING CONTEST

Dan Connolly Scored Winning Run—Nationals Turned Tables When Next They Met—Old Time Oarsmen

On Wednesday, October 12, 1887, one of the most exciting baseball games seen in the city in years took place between the Shamrocks and the Nationals and was won by the former by a score of 12 to 11. The day was very cold, but a large crowd of fans turned out to witness the contest between the rivals. The game went ten innings. When Connolly dashed across the plate in the last inning with the winning run, the Shamrocks showed their delight by dancing and cheering their star pitcher and batter.

The Nationals went first to bat. Kennedy got a hit. Milligan took first on an error. Barker and Warlock took first on hits. Christie was struck with the ball and DeForest came across with another hit. One run resulted as two of the players were caught between the bases and Pundy struck out. The Shamrocks failed to tally.

In the third inning the Shamrocks tied the score. Connolly took his base on balls, stole second, moved to third on a passed ball and scored on Costigan's hit. The Nationals turned up another goose egg, while the Shamrocks went in for blood and scored six men. White got to first on error, and was sent home by Callahan's hit. Gorman died at first. Then on the Nationals part a comedy of errors was enacted. Callahan McHugh, Kelly, Lane and Connolly scored.

The box score follows:—

P. S.—In those days a base on balls was scored as an error. In some leagues it was called a hit.

Agistic.

On Saturday, October 16, 1887, Harry Vall arrived in the city from Portland, Me., where he had been training to meet Ten Eyck, but as a result of an accident had to forfeit his deposit and call the race off. He said he was out rowing in the harbor when a fishing smack ran into him smashing his shell and throwing him out into the water. He asked Ten Eyck to postpone the race, but he refused to do so, and he had to forfeit his deposit. As a result of his ducking he was suffering from a severe cold.

Here is an odd challenge which appeared in a local paper Monday, October 17, 1887.

"Fred Plasted to Eugene Buckley." "I hear that Al Hamm has broken his arm in several places. If that is so, I hereby challenge him to row me three miles inside of ten days for \$2,500 a side, the same amount that Courtney and Bubarer fought for. Man and money can be found at 25 Portland Place."

On Wednesday, October 19, 1887, the Nationals made up for their previous defeat by the Shamrocks by turning the tables and winning from their rivals by an overwhelming score of 23 to 4.

The winners battled like demons and played an almost perfect fielding game. The Shamrocks were in hard luck from first to last. Robinson's fine curve completely baffled them and only one ball reached the outfield. Almost every man on the nine made fumbles and wild throws of which they were formerly not guilty. Connolly and Kelly did the best fielding for the nine and Jere Callahan and Gorman made some excellent catches.

White led the Nationals at the bat with six safeties. The fielding of the nine was so good that personal mention, said the chronicler of the day, would be unfair. Bell made a fine one hand stop, while Robinson and Whitnecet were a whole team in themselves. The box score follows:—

Saskatchewan Liquor Matter. Regina, June 2—Now that the time for the government to take over all wholesale liquor dispensaries is drawing near, the Saskatchewan wholesale liquor men have selected a strong committee to meet the government to make satisfactory arrangements for the transfer of such stocks as may remain on hand when the new legislation goes into effect.

Going Back To The Old Way

Years ago, our fathers ate coarse, dark bread stuffs, because the millers ground whole grain. Modern ill-health and some modern diseases were unknown in those days. Owing to compulsion, millers began to grind grain to make everything look good, thus robbing the cereals of their chief food value. Science frowned on this practice. Intelligent people—led by the medical profession, and the eminent Doctor Wiley in particular—have turned to dark bread and coarse, unrefined foods. Dr. Jackson's "Roman Meal" is a whole grain food, composed of Whole Wheat and Bran. It is coarse and dark, wonderfully nourishing, readily digested, and is guaranteed to relieve constipation. Ask your doctor. Sold by leading grocers. 25c a large package.

COX BROTHERS, NEW BRUNSWICKERS, ARE IN FIGHT IN AFRICA

Two Manguerville men are fighting for the empire in South Africa. William J. Cox and his brother, Matthew. They are half brothers of Dr. Phillip Cox, of Fredericton and brothers of Mrs. Jas. McCuskey of Barker's Point. Matthew was wounded in the left hand while fighting in Portuguese South West Africa against the Germans.

William J. Cox has been appointed lieutenant in Mande's Scouts, and has been in active service since October last. Both he and his brother are veterans of the Boer War.

Previous to the outbreak of the present war the Messrs. Cox were engaged in boring wells in South Africa. They have a large plant and a large crew of natives.

Charles McCormick, C. S. R. The bride was becomingly attired in a blue travelling suit, wearing a hat to match. She was attended by Miss Margaret McMiniman, who was prettily dressed in green silk. The groom was escorted by his brother, Thomas McQuillan. After the ceremony the happy couple partook of a wedding breakfast at the home of the bride's sister, Mrs. William Burns, Harrison street. Mr. and Mrs. McQuillan will reside at 454 Main street.

Comeau-Doucette.

Hon. Joseph Wm. Comeau, of Comeauville, Digby county (N. S.), and Miss Zoe Doucette, of the same place, were married in the Cathedral yesterday morning at a nuptial mass at 9.15 o'clock by His Lordship Bishop LeBlanc, Rev. Wm. M. Duke assisting. Miss Mary Comeau, sister of the groom, was bridesmaid, and Camille Doucette, brother of the bride, did the honors for the groom. Both bride and bridesmaid wore traveling suits of navy blue, and Panama hats.

The groom represents Digby county in the Nova Scotia Legislature, and has been a member of the government since June 29, 1911. He was educated at St. Anne's College, Church Point, and Bishop LeBlanc was one of his classmates. The bride is a cousin of His Lordship, and while the register was being signed he presented to the bride and her sister each a pair of pearl rosy beads, silver mounted. The honeymoon trip will be to Upper Canada.

At the home of Mr. and Mrs. W. J. Hawkins, 287 Carnarvon street, St. John, yesterday, the wedding took place of Frank Douglas Perkins to Miss Harriett S. Prole. The ceremony, which was under the two flags, the British and the Canadian, as the bride is English and the groom a Canadian by birth, was performed by Rev. Frederick Ross, of Coburg street church. The bride was given away by W. J. Hawkins and she was dressed in a travelling suit of blue. Supper was served by Mr. and Mrs. Hawkins, followed by a reception.

Education

"What are you studying now?" asked Mrs. Johnson.

"We have taken up the subject of mole cules," answered her son.

"I hope you will be very attentive, and practice constantly," said the mother. "I tried to get your father to wear one, but he could not keep it in his eye."

BROADWAY STARS IN FILM PLAYS

Bianche Walsh and Henry Dixey Before Screen

FRANK POWELL STILL DIRECTING

News of the Studio; Late Releases; "The Chorus Lady" For the Screen, Also "The Traveling Salesman"

Bianche Walsh, a famous emotional Broadway star, will be featured in a screen production of one of her successes by the Universal Film Manufacturing Company. Just as soon as she closes her vaudeville engagement of "The Spoils of War," in which she is now playing she will commence her work for the films at the Imp studios in New York City. Miss Walsh is one of the most celebrated dramatic actresses before the public today. When she entered

the vaudeville field a short time ago it created a nation wide interest and her determination to enter the movies is even more of a sensational move on her part.

Henry E. Dixey, famous star of innumerable Broadway productions from "Adonis" down to "A Thousand Years Ago," is to appear in a Universal screen play, title of which will be announced in the near future. Mr. Dixey is a stage favorite whose fame has extended over a long period. He made a tremendous reputation in his very youth for his grace in "The Man on the Box" in which he starred for many months. Movie fans will find Mr. Dixey a charming addition to the film world.

Frank Powell, director of the Fox Film Corporation, whose picture of Peter Emerson Brown's "A Fool There Was" added further laurels to his reputation, is at the present time in St. Augustine, Fla. Mr. Powell is filming "La Gioconda" by D'Annunzio.

Garry McGarry, a Vitagraph player, was rather badly injured last week in a fall from his horse while riding at full speed for a picture being directed by Lorimer Johnston. The spill was intended, but as McGarry is an expert horseman, it was not expected that the fall would be so heavy.

Viola Lubin, seventeen-year-old daughter of Al. Lubin, theatrical manager, is now a member of "The Black Box" company, and will appear in the concluding instalments of the Universal serial.

Fred Thomson used what was practically a "studio on wheels" in taking more than a hundred scenes in New York streets for the World Film production of "After Dark." Thompson utilized a large moving van, fitted up so that the camera was hidden, and also containing a dressing room in which necessary changes of costume were made. It was rather successful in baffling the curious crowds that usually collect to hamper a director.

MAJORITY AGAINST INCORPORATION SMALL

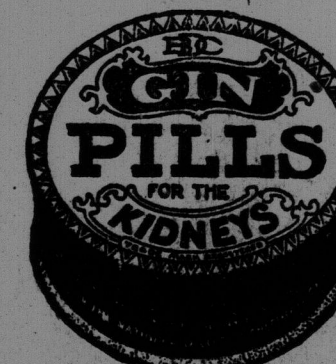

Fredericton, N. B., June 1—(Special)—The movement to unite the villages of St. Marys and Gibson and incorporate them into a town was defeated today at the election held under provincial statute. The vote stood 168 against incorporation and 163 for, a majority of three against.

Two ballots were rejected and the total count of ballots showed that there were two more cast than there were voters who had exercised their franchise. What effect this will have on the elec-

tion is not known, but it is said that it can be protested.

New York, June 1—Severe earth tremors were recorded on the seismograph at Fordham University here today. The disturbance which appeared to be about 8,500 miles from New York, lasted an hour and nine minutes.

Wake Up! New Brunswick!

This World War Demands the Supreme Effort of a United Empire Shall Our Province Fall Behind?

It should not be supposed that contributions of a couple of thousand men, a few odd dollars, some barrels of potatoes and boxes of socks constitute our rightful sacrifice. So far not more than a handful of people in all this country have any actual realization of what the war means. These few have given their husbands or their sons to the cause of Empire. The remainder have done nothing in comparison with their abilities and their opportunities.

Our national life, our peace, our prosperity and our happiness are so dependent upon the well-being of the British Empire that only by playing our part in that Empire can we maintain our fortunate position.

Up to the present ninety-nine per cent. of us do not realize what sacrifice means, nor what is being endured by those nearer to the firing line than we are. We must give, not only of our material wealth, but of our blood, and not niggardly, but with a generous hand.

None of us wish to part with our husbands and our children, but it is better that they should serve the Empire and save our homes than that our enemies should triumph and all that we hold dear be taken from us.

*"For Romans in Rome's quarrel
Spared neither land nor gold,
Nor son nor wife, nor limb nor life,
In the brave days of old."*

The 55th Regiment still requires five hundred men from New Brunswick. These men must be furnished at once, and must be recruited from New Brunswick homes. We cannot ask strangers to take our places. The duty before us is clear, however hard the part may seem. Some will lose their lives; others will be maimed; many will return.

MEN OF NEW BRUNSWICK—Once upon a time there was a man who said that he would rather be a live coward than a dead hero.

What is Your Choice at the Present Time? The Question is Up to You Today!
