THE EVENING TIMES-STAR, ST. JOHN, N. B., SATURDAY, JANUARY 26, 1924

MORE THAN 100 WILL BE HERE FOR CONGRESS

Prominent Social Workers
From All Over Dominion
Come to St. John.

Leading men and women in all lines of social welfare endeavor from Canada and from the United States will be in the city to attend the Social Service Council convention which meets here on Monday, Tuesday, Wednesday and Thursday of next week. The exact number of delegates is not known as many are making their own arrangements with regard to transportation while in the city. It is anticipated, however, that there will be between 100 and 120 delegates and speakers from outside of the city attending the Dominion convention.

The three Maritime Province Premiers will take part in the proceedings. It is about seven years since the last annual meeting of the council was held in St. John. Those who attended the sessions of that convention will remember the great interest which they aroused. It was first planned to have the evening sessions of that convention in the Knights of Columbus hall, but the attendance was so much greater than expected that it became necessary to remove to the century church where an auditorium seating 1,500 was available.

Luncheon for Miss Lathrop.

This year it has been arranged to hold the morning and afternoon sessions in St. John's (Stone) church hall and to have the evening public meetings in St. Andrew's church auditorium.

The largest social function to be arranged in connection with the convention this year is the luncheon to be tendered Miss Julia Lathrop on Wednesday in the Pythian Castle. The luncheon has been arranged by the Daughters of the Empire.

Partial List of Delegates.

The list of delegates attending the convention will not be complete until the convention opens. A partial list of those who are to be guests of St. John residents and their hosts in the city is as follows:

Mother's Advice

NO mother ever taught her children a more valuable lesson than the necessity of keeping the bowels regular. Health, happiness and success are more dependent on this simple rule than most of us ever realize.

This mother advises the use of Dr. Chase's Kidney-Liver Pills because she has found this medicine to be absolutely dependable as a regulator of the liver, kidneys and bowels.

Physicians have estimated that nine-tenths of all human ills have their beginnings in the sluggish action of these eliminating organs and the consequent poisoning of the system.

Not only such ills as indigestion, constipation and biliousness but also appendicitis, Bright's disease, diabetes and high blood pressure arise from this cause.

Prevention is so much easier than relief after the disease has become settled that the value of mother's lesson is at once apparent.

In many homes the rule is one pill at the week-end as a regulator and preventative and more frequent doses when required.

The strong points for Dr. Chase's Kidney-Liver Pills are their dependability to produce the desired results and their direct and combined action on liver, kidneys and bowels.

It is worth remembering that colds and other contagious diseases are quickly checked by the use of Dr. Chase's Kidney-Liver Pills to rid the system of the accumulating poisons.

You will notice that while the price of Dr. Chase's Kidney-Liver Pills has been increased to 35 cents, the box now contains 35 pills instead of 25 as formerly.

Likewise Dr. Chase's Nerve Food is 60 cents a box of 60 pills, instead of 50 cents a box of 50 pills. Edmonson Bates & Co., Ltd., Toronto.

May Be Abolished After 650 Years

London, Jan. 24.—Wickham Fair, which dates from 1268, when a charter was granted by Henry III., is in danger of abolition.

J. Carpenter, lord of the manor, has applied to the Home Secretary for its discontinuance on the ground that cattle sales and business formerly transacted no longer take place, and that all which remains is revelry by the villagers.

From its inception the fair has been held in the fine square of this pretty Hampshire village, and the lord of the manor says he thinks festivities held each May could be now transferred to another spot.

The parochial electors have decided to protest to the Home Secretary against the proposal.

Why you have Rheumatism

RHEUMATISM is largely due to weakened and deranged kidneys. When the kidneys fail to properly fulfil their duty of carrying away the poisonous impurities in the blood stream, uric acid accumulates, and rheumatism, lumbago, sciatica and other serious ailments follow.

If you suffer from headaches, pains in the back, dizzy spells, or specks floating before the eyes, patently suppressed or scalding urination, let GIN Pills set your kidneys right. A few doses will bring relief. A few boxes will make you entirely well.

50 cents a box, at your druggist.
