

Report of Session.

The Session are glad to be able to report a very satisfactory addition to the membership in 1894. Ninety-two were added by certificate, and 42 by profession, making 134. Eighty-three members were removed by certificate, 7 by death, and 18 by reason of absence from ordinances, making a total of 108, thus leaving a net gain of 26. The number of members in January, 1894, was 800. It is now 826.

There were 15 baptisms during the year—2 adults and 13 infants.

It is gratifying to the Session to be in a position to say that all the different organizations in the church have been remarkably successful under the blessing of the Master. Spiritual prosperity has characterized every department of church work. The attendance at Sabbath School and Bible Class has been in advance of the previous year, and the results have been very encouraging to all concerned.

In conclusion, the Session wish to express their thanks to all those in connection with the various organizations of the church, for their valuable service rendered during the year, and they pray that the Divine blessing may, in rich measure, rest upon the whole congregation unitedly, and all the members and adherents individually.

GEO. E. DALBY,
Session Clerk.
