

" which had transpired
" was foreclosed by the
" owners and the fishing
" was sold to a Mr.
" Birchall who paying
" a portion thereof
" allowed the mortgage to
" continue".

Dr. Powell adds
that it is needless
to follow the matter
further as any indirect
connection of his own
had ceased four
years previously; but
in view of your state-
ments he deems it
proper to mention
that although Mr.
Birchall had given
a lien over the whole
property to parties
in Victoria who
had advanced him
a large sum,
curiously enough
he went to Mass
and effected an
apparent sale of the
whole concern to
you ~~and~~ Dr. Powell
has been told that
you are now the
occupant of the
property.
