

Your Neighbors Can Tell You

No doubt, if you yourself don't know, of many marvelous cures of Stomach, Liver, Blood and Skin affections that have been made by the use of Dr. Pierce's Golden Medical Discovery, for it has a most successful record of over 40 years.

These CURES embrace also many bad cases of Weak Lungs, lingering Coughs, Bronchial, Throat and Lung affections, some of which, no doubt, would have run into Consumption, had they been neglected or badly treated. We don't mean to say that the "Golden Medical Discovery" will cure Consumption when fully seated, but it will strengthen weak lungs, improve digestion, and make pure, rich, red blood thereby overcoming and casting out disease-producing bacteria and giving robust, vigorous health.

All particulars about the "Discovery," its composition and uses, in Common Sense Medical Adviser, 1000 pages, revised up-to-date, sent for 50 cents, in one-cent stamps in cloth covers, or 31 cents for paper covered, to pay cost of mailing only. Officers commanding companies will forthwith furnish to the adjutant a complete copy of the morning detail of their respective batteries. Alterations or amendments must be reported in writing to the adjutant during the first week in each month. The officers commanding has been pleased to approve the following appointment: To be acting-corporal of the band, Gunner H. Martin.

TOO LITTLE BLOOD. Responsible for Nearly All of the Suffering Women Endure.

Anaemia is written on the features of ninety women out of a hundred. Unmistakable are the signs of "too little blood." The weaker sex is assailed by all ages by the evils resulting from bloodlessness, from the girl who is weak and languid, with dull eyes, pale lips, flimsy appetite and palpitating heart to the woman who feels "never well," with pains in the back and across the shoulders, fainting fits and aching limbs. And later at life's turning point, nervous disorders and heart trouble make great calls on a woman's strength.

At all ages Dr. Williams' Pink Pills are especially valuable to the female sex, for they alone possess the power of making in abundance the rich, red blood of health. They fill the starved veins with new blood, so that enfeebled bodies are strengthened, weak nerves are fortified, and robust health is restored.

"A few years ago my health began to fail. I suffered greatly from inward troubles, and in about a year's time my whole system was almost a wreck. My blood had turned to water, and my heart had become so badly affected that I could scarcely go about. In fact life had almost become a burden, and there seemed little hope for me. One day a friend asked me if I had tried Dr. Williams' Pink Pills, and I told her that she had been in almost the same condition I was and that the Pills had restored her to her present splendid health. I took courage from what my friend told me and began to take the Pills. I took them regularly for several months, constantly growing stronger, and the internal trouble from which I had been afflicted were disappearing, and my whole system seemed to have gained new strength. I was so certain that there would be no return of the trouble, and I continued to take the Pills for a time after I had really fully recovered. Since I have proved to myself what Dr. Williams' Pink Pills can do, I have recommended them to a number of suffering people, and those who have given them a fair trial have proved with me that Dr. Williams' Pink Pills are just what they are recommended to be."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

A pretty wedding took place at the Wesley church, Vancouver, on Monday, the contracting parties being Miss Constance H. Berwick and Mr. Henry N. Parker. Rev. Robert Milken conducted the ceremony. The bride was given away by her brother, Mr. J. W. Berwick, of Seattle, and wore a traveling suit of navy blue broadcloth, with white hose and hat. Miss Mable Gibbings acted as bridesmaid and Mr. Arthur J. Berwick supported the groom. Mr. and Mrs. Parker will take up their residence in this city.

The funeral of the late George Gustafson, who died at St. Joseph's hospital Thursday, took place on Friday at 2:30 o'clock from the Hanna chapel. Rev. H. A. Carson officiated. Deceased was a native of Finland and was 52 years of age. He was a seaman on board the Hadden Hall which called here a week or so ago.

BUILDING ACTIVITY

AT GORDON HEAD

Number of Houses Being Erected—Football Club Elects Officers.

Gordon Head, Feb. 25.—The members of the newly-formed Court Douglas, A. O. F., met on Tuesday in the Temperance hall, Cedar Hill. A large number of the brothers from town came out for the occasion and after the business session a social time was spent. A programme of songs, etc., was rendered and refreshments were served by the local members. It is confidently expected that the lodge will have a large membership throughout the district. The members of the I. O. G. T. will hold a banquet on to-morrow evening. Dr. W. Mackay had rented his farm to Dr. Carson. Mr. Mackay and family have returned to Winnipeg where the former has a ranch near the town. The past year has been a very busy one in the building line around Gordon Head, and from the present indications the activity will continue. There are several people building at the present time, among whom are Mr. Watson, Mr. Ozard and Mr. Mallett, and Mr. Townshead has just finished extensive alterations to his house. The clearing of land and planting of fruit trees is going ahead, and it will be the matter of only a very short time when there will be no more bush around the Headlands. Mr. Strachan, the oldest fruit grower in the district, has branched out into grape culture. Much interest is manifested in Mr. Strachan's experiment in this line. The Cedar Hill District Football Club met in the Temperance hall on Wednesday evening and wound up the business for the past season, after which they reorganized the club so as to be able to get an early start next season. When they hope to make a better showing in the struggle for the cup. The following officers were elected: Hon. president, C. E. Curry; honorary vice-president, Watson Clark, and Mr. Tolmie; president, Mr. Tom; vice-president, Lance Clark; secretary, R. H. Machin; treasurer, Norman Shaw; captain, Rev. Mr. H. A. Collison; manager, Watson Clark. The election of the various committees was left over until the first meeting in the fall.

RUSSIAN REVOLUTIONARY ORGANIZATION IN U. S. A.

Moscow, Feb. 27.—A police investigation has resulted in learning that the man arrested here early this month with an American passport, bearing the name of Richard T. Stevens, Washington, D. C., on the charge that he had associated with revolutionists, is in reality a Russian. His name is Moses and he comes from Berdichev. He was once deported to Siberia, but escaped. The incident points to the existence in America of an organization that undertakes to obtain false reports for Russian revolutionists.

A benefit concert will be given on Wednesday evening next in the lecture room of the Congregational church by Miss Cooke, assisted by several of her friends in city musical circles.

A meeting of the Ladies' Guild of the Seaman's Institute will be held on Tuesday morning next at 11 o'clock in the Institute rooms.

The funeral of the infant son of Mr. and Mrs. Thomas Davis took place Friday afternoon from the family residence, Cadboro Bay road, at 2 o'clock. Interment took place at Ross Bay.

The monthly meeting of the Victoria Nurses' Club will be held at the Club rooms, 18 Promis block, on Tuesday at 3:30 p. m. The business is to arrange for the dance to take place on April 13th.

The funeral of the late George Gustafson, who died at St. Joseph's hospital Thursday, took place on Friday at 2:30 o'clock from the Hanna chapel. Rev. H. A. Carson officiated. Deceased was a native of Finland and was 52 years of age. He was a seaman on board the Hadden Hall which called here a week or so ago.

BASKETBALL LEAGUE.

Tacoma Y. M. C. A. Five Defeat Bellingham Team in Close Game.

Bellingham, Wash., Feb. 27.—Tacoma put Bellingham in the cellar in the Y. M. C. A. basketball league series last night, winning a close game by a score of 35 to 30. The Tacomans took the lead and were never headed. In the middle of the second half the lead was cut down to three points, but the locals could not hold the visitors. The play was ragged at times and many fouls were called.

RAILWAY CONNECTION WITH MAINLAND

Meeting of Branches of Island Development League is Proposed.

Nanaimo, Feb. 25.—At a meeting of the Nanaimo branch of the Vancouver Island Development Association held to-night, a resolution was passed, to be forwarded to the head office, asking that a general meeting of delegates from all the branches on the island be held to discuss the building of a railway on the island having direct connection with the mainland. It was the general opinion of members that now was the time to take some concerted action in this matter. Capt. Yates, mover of the resolution, said there had been enough newspaper talk; what was wanted was definite action.

BANQUET TO JOSEPH MARTIN.

Entertained at Vancouver on Eve of His Departure For England.

Vancouver, Feb. 27.—In Pender hall last night a complimentary banquet was tendered to Mr. Joseph Martin, K. C., on the eve of his departure from Vancouver to reside in England, by his friends and admirers in this city. Among those present were Sir Chas. H. Tupper, C. H. Mackintosh, John Henry, J. A. Russell, E. S. Knowlton, Cory Ryder, Sheriff Hall, A. M. Pound, J. P. McConnell, D. Naimish, T. McCaffrey, W. H. Ker, James Beveridge, D. G. Williams, A. E. Beck, E. Lipsett, A. E. Woods, C. E. A further remand for eight days was granted on Saturday in the case of Julius H. Franck.

The committee of the Y. W. C. A. extends thanks to J. G. Brown and those who kindly assisted him at the benefit concert in aid of the association on Tuesday evening. The proceeds, \$445, will be devoted towards the purchase of necessary furnishings, which were very much needed.

The ceremony took place beneath a beautiful arch of ivy and roses. The supper room, where a very elaborate sit down supper was tastefully served by the hostess, Mrs. Horne, was elaborately decorated with trails of smilax and pink carnations. After supper a very enjoyable musical evening was spent, selections on the piano and violin and gramophone being listened to with much pleasure. Miss Holmes, Mr. Eddie and Mr. Duncan were the performers.

The following were present: Mr. and Mrs. Hastings, Mr. and Mrs. Liddle, Mr. and Mrs. Lidson, with their two young daughters; Mrs. Holmes and her little son; Mrs. Irvine and Mrs. Smith, Fenlie Irvine; Mr. and Mrs. Smith, Mrs. C. Watt, Mrs. Mudford, of Sooke; Miss Nellie Jeffries, Mrs. J. Horne, Rev. Mr. Burns and Wm. Burns, of Sooke.

Work on the construction of the permanent sidewalk to be laid on the north side of Johnson street, between Douglas and Broad streets, began on Friday. Owing to the fact that several buildings abut on the street, and as the owners refused to move back their buildings, the sidewalk will be only three feet wide when it passes their premises.

NURSERIES

TEN YEARS AS RECTOR OF ST. BARNABAS

Service Will Be Held to Commemorate Induction of Rev. E. G. Muller.

The tenth anniversary of the induction of Rev. E. G. Muller, as rector of St. Barnabas takes place this month, and the brotherhood of St. Andrew's have requested Mr. Muller to announce a corporate communion to be held on Monday morning next at 7 o'clock to commemorate the event. The anniversary falling this year in Lent precludes any other than a religious celebration, but it is possible that after Lent some more extended celebration may take place. The ten years of Mr. Muller's rectorship have been years of progress and advancement. The number of communicant members has materially in-

creased until there are now about two hundred and fifty on the church roll. There have been in a large number of confirmations and in every department of the church's work success has crowned the efforts of the workers under Mr. Muller's leadership. The school-room has been built and a debt of \$2,000 wiped out. Already the movement on foot to build a new church has reached substantial proportions and over \$3,000 has been subscribed for this purpose. It is expected that definite steps will be taken to complete the canvass for funds at Easter time and some announcement may be looked for regarding the style and proportions of the new church.

Rev. Mr. Muller is to be heartily congratulated upon a very successful tenure of office and the general public will wish him and the congregation of St. Barnabas the best of success in their future undertakings.

BABY'S OWN TABLETS WILL CURE YOUR BABY

If your little ones are subject to colic, indigestion, constipation, worms, simple fevers, or the other minor ailments of childhood give them Baby's Own Tablets and see how quickly the trouble will disappear. But better still, an occasional dose of Tablets given to well children will keep these troubles away. Mrs. Allan A. MacDonald, Island River, N. E., says: "My baby suffered greatly from constipation and stomach trouble and Baby's Own Tablets cured him. I always keep the Tablets in the home now." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

PRETTY HOME WEDDING.

Marriage of Mr. Robert Duncan and Grace Eglington Stevenson.

The marriage of Mr. Robert Duncan and Grace Eglington Stevenson, both of this city, was solemnized at 7:30 Friday evening at the home of Mr. T. H. Horne, 1134 Pandora avenue, Rev. W. Leslie Clark officiating.

The bride, who was given away by Mr. Horne, was very beautifully and becomingly gowned in white net with elaborate insertions of chrys. lace, made over white chiffon and taffeta. She wore a bridal veil and orange blossoms, and carried a shower bouquet of white carnations with long looped ends of white satin ribbon. She was assisted by Miss Christine Matheson, in a very pretty bridesmaid's dress of pale blue cloth, with trimmings of Maltese lace, white chiffon yoke and corsage bouquet of white carnations. Miss May Holmes, also in a very smart pale blue frock with white lace garnitures, played the wedding march and also acted as maid of honor. Mr. Eddie supported the groom.

The ceremony took place beneath a beautiful arch of ivy and roses. The supper room, where a very elaborate sit down supper was tastefully served by the hostess, Mrs. Horne, was elaborately decorated with trails of smilax and pink carnations. After supper a very enjoyable musical evening was spent, selections on the piano and violin and gramophone being listened to with much pleasure. "ONLY MEDICINE THAT DID ME ANY GOOD"

"Fruit-a-tives" Cured Backache After Doctors Failed Utterly.

"I have received most wonderful benefit from taking 'Fruit-a-tives.' I suffered for years from backaches and pain in the head and I consulted doctors and took every remedy obtainable without any relief. Then I began taking 'Fruit-a-tives' and this was the only medicine that ever did me any real good. I took several boxes altogether, and now I am entirely well of all my dreadful headaches and backaches. I take 'Fruit-a-tives' occasionally still, but I am quite cured of a trouble that was said to be incurable. I give this testimony voluntarily, in order that others who suffer as I suffered may try this wonderful medicine and be cured."

Mrs. Frank Eaton, Frankville, Ont. Be wise. Profit by Mrs. Eaton's example, and start with "Fruit-a-tives." They will quickly relieve Pain in the Back, and stop Headaches because they keep bowels, kidneys and skin in perfect order and insure the blood being always pure and rich.

"Fruit-a-tives" is now put up in the new 25c trial size as well as the regulation 50c. boxes. All dealers should have both sizes. If yours does not, write Fruit-a-tives Limited, Ottawa.

CITY TO GET ROCK FROM LINEHAM-SCOTT QUARRY

Streets, Bridges and Sewers Committee Decides on That Move.

At a meeting of the streets, bridges and sewers committee of the city council, held on Friday, it was decided to take rock from the quarry of the Lineham-Scott Sand & Gravel Company, in the city, clearing the rock from the streets, at Mount Tolmie, where there were no houses near, and there was a big face of rock, it could be dug much cheaper than anywhere in the city, and the roads would not be cut up in delivering it. The arrangement with the company is for three or five years.

The engineer reported that it has been costing the city from \$2.10 to \$2.25 a yard to deliver the crushed rock on the work, but when they got to Mount Tolmie they thought they could do it from \$1.75 to \$2.

It was decided to accept the offer, delivered on the cars.

GREAT BRITAIN'S NEW NAVAL BASE

Works at Rosyth Will Cost Three and a Quarter Millions Sterling.

We understand, says the London Daily Telegraph, that the contract for the construction of the naval base at Rosyth on the Firth of Forth has been placed with Messrs. Gibb, Eaton & Son, of Great George street, Westminster, London.

This scheme is estimated to cost £2,250,000. The late government secured for the purpose 1,184 acres of land, with 285 acres of foreshore. The principal items in the proposal, as finally adopted, are:

A basin with an area of 52½ acres and a depth of 38 feet 6 inches, giving a total wharfage of 7,108 feet.

Entrance lock available for use as a dock 850 feet long, 110 feet wide, at the entrance, and 36 feet over sill at low water of spring tides.

A straight river wharf 2,733 feet long with 36 feet depth at high water of neap tides, and so constructed as to enable a depth of 36 feet at low water of spring tides to be dredged.

Dry dock, 750 feet long, 100 feet wide at entrance, and with 36 feet of water over the sill. This dock will be so built as to facilitate subdivision into a form, as required, two separate docks 450 feet and 280 feet in length respectively.

Boat slip, 280 feet long by 130 feet wide, with 36 feet of water over the sill. Basin for submarines (and temporarily for destroyers), 600 feet long by 470 feet wide, with a depth of 15 feet at low water spring tides.

Floating dock, 250 feet long, for submarines and destroyers.

Magazine for the storage of ammunition.

Space for stacking coal is provided on ground to the south of the entrance lock.

Workshops, storerooms, and the usual equipment of a base for naval repairs.

It is estimated that the works will take seven years to construct, but the contractor can earn a premium by completing them sooner.

TO MOVE STATION.

It is reported that the life saving station and dock built on Waikanae and by the United States government is to be moved to the mainland and that the work is now being done in that direction. After the station was built on the island it was ascertained that the location was not suitable during certain storms the life saving gear was unable to leave the station to render assistance to vessels in distress.

COMPULSORY SPRAYING OF ORCHARDS ORDERED

The provincial board of horticulture on Saturday at the offices of the board of agriculture parliament buildings, with W. E. Scott in the chair. Hon. Capt. Taitlow was present and took part in the deliberations. At noon the board adjourned until Wednesday morning next, after having taken up many matters of importance.

The principle result of this morning's meeting was the outcome of the discussion on fruit and orchard inspection. It was decided that this year the spraying of fruit trees shall be compulsory. Posters will be distributed all over the province through the agency of provincial constables, calling attention to the regulations and the penalties a failure to observe will entail. A more aggressive policy will be followed this year by the board, and wherever possible a rigid supervision of orchards will be made. The assistance of the press in giving added publicity to the programme was asked for.

Houseboats are something to which the citizens of Victoria have not yet given much attention. There is but one in the harbor worthy of notice and that one was built by Roy Troup for his own use last year. W. Christie, manager of the C. P. R. telegraph office, is making arrangements to build a new houseboat for his own use. It will be fairly large, measuring some 33 feet by 18 feet, and will be nicely fitted with suitable conveniences. It will be built on pontoons and will be in every way a credit to the harbor.

A special meeting of the school board will be held early in next week when the report of the committee appointed to consider the applications for position of school carpenter will be presented and the position filled.
