EDDIE McCAFFERTY IS AGAIN UNDER THE KNIFE

Business Manager of Montreal Ball Club is Having a Long Siege of Sickness

MONTREAL, March 1.—Followers of the fortunes of the Montreal ball club will regret to hear that Eddie McCafferty, the business manager of the club for the past two seasons, who has been ill most of the winter, had to undergo another operation yesterday.

Shortly after the formation of the National Hockey Association, of which he was elected secretary, Mr. McCafferty was laid low with an attack of pleurisy. Complications set in and four weeks ago he was removed to the Victoria Hospital to undergo an operation.

Yesterday another operation was considered necessary. The patient is reported to be progressing favorably.

WHAT IS ITCH DIRT?

It is the old Anglo-Saxon name for Dandruff and it's a good one. If you have dandruff you have itch dirt and the little microbes that are part and parcel of dandruff are working persistently night and day and sooner or later will reach the very life of your hair and destroy its vitality.

Then you'll be laid—laid to stay—for not even the wonderful rejuvenating properties in Parlan Sage can grow hair after the hair bulb or root is dead. Parlan Sage cures Dandruff.

Chas. R. Watson, 100 King St., and 24 Dock St., the druggist, sells it—recommends it and guarantees it; only 50 cents a large bottle and your money back if it fails to cure Dandruff, Falling Hair and Itching of the Scalp.

HAS MEADOWS GONE HIS LIMIT YET?

TORONTO, March 1.—The Star says:—Wrestler Fred Meadows could have beaten Alf. Shrubbs when the little Briton was at his best some five or six years ago, is of course, a question that no amount of arguing will ever settle, but it is a favorite topic for discussion wherever athletes and athletic bugs gather these days. Most of them concede that at ten miles Meadows, in his present form, could hardly have coped with the Englishman, but there are any number of people who believe the English runner could have made it mighty interesting for Shrubbs in a fifteen mile, for all his greatness, was not invincible.

Meadows' best record for fifteen miles—1:15—made at Toronto recently, was not as good as Shrubbs' time, when the latter ran third to Appleby in Appleby's 10 1/2 mile race in 1904, but undoubtedly Meadows will better his record before he quits the game. Had he been pushed Tuesday night the English man, most experts agree, could have done 1:20 or better.

In neither of his two most recent races has Meadows been anything like all in at the finish. Just how much reserve power he had is, of course, unknown, but there was enough there to have carried him several seconds faster in both races if it had been necessary for him to go to the whip.

MEADOWS-LJUNGSTROM MATCH

Ernie Herberg, Gustav Ljungstrom's manager, is dead anxious to have the Swede book up again with Meadows. He figures that a match race the Swede would run better than in an open event, in which he would have to reckon on four or five other men in addition to Meadows. Herberg would give something to entice Meadows into a twenty-mile hike, but the Canadian makes no pretense to being anything more than a fifteen-miler, and can't see the longer route for a minute.

Powers and Pollok have not yet announced whether they would put on such a race. If they do not, some enterprising Buffalo promoter might be able to pick up a little change by putting the event on at one of the Buffalo armories. The Buffalo promoters, however, have a very low opinion on Longshot and might insist upon having the Indian start. Meadows and Ljungstrom in a fifteen-miler ought to draw like a poultice, particularly in a town like Buffalo, where the Canadian athletes have always been looked upon as the grandest little performers.

And even if Meadows did win again it would be almost interesting to see just how he would go about it, for he hasn't run any two of his most recent races in just the same way.

SAD DEATH OF DIGBY YOUNG MAN

DIGBY, N. S., March 2.—In the twenty-eighth year of his age Howard Leslie Nowlin, the only son of W. H. Nowlin, passed away at his home here yesterday. He was a printer by trade, and previous to being stricken ill six months ago held a responsible position in the printing department of the John Hancock Insurance Company, Boston. The deceased was possessed of a fine tenor voice and his vocal powers made him a valued member of several church, school and musical organizations of Boston. He is survived by his father, mother and two sisters, Miss Alice at home and Miss Ida of Truro, formerly of Kennebec. The father is foreman of the Digby Courier.

TRIM ELECTRICS TO A STANDSTILL

Accountants didn't leave anything at all for the electricians when they howled them in the City League last evening. One of the strings was close, however, going to the winners by a margin of three pins only. Stanton mounted to 105 on his first string, and topped the averages with 90-1-3.

Tonight: City—Ins. and 2 H's; Com. C. P. R. and Br. and Pat.

On Thursday evening the Bowling Club will hold its monthly tournament. Fourteen three-men teams will compete for the prizes this time, each rolling four strikes.

CLARK WILL MEET SELLEN IN DISTANCE RACE

MONTREAL, March 1.—Frank Clark, the Irish runner, is willing to meet Percy Sellen in a long distance race on terms that they will have to confer on. Clark, a stocky-built Coanaght lad, who arrived four weeks ago in Montreal, has been making a name for himself with Sellen over the American sporting circles. He is confident of winning easily, and believes, after a study of the time made by Canadian and American runners, he will have difficulty in finding a dangerous match.

When "Work" Becomes "Labor"

There's something wrong. Dr. Morse's Indian Root Pills Will Right It.

When it seems as if you simply could not bear up any longer it's high time to look for the cause of the trouble—and the remedy. In an astonishingly large number of cases the real cause of woman's misery is found to be constipation, and the remedy that always cures it, Dr. Morse's Indian Root Pills.

Dr. Morse's Indian Root Pills not only regulate the bowels, but they stimulate the kidneys and skin as well to throw off waste matter and purify the blood. The result is quickly apparent in the disappearance of the headaches and biliousness, and the return of health and vigor. Thousands of women all over the world owe their present good health to Dr. Morse's Indian Root Pills.

Made by W. H. Comstock Co., Ltd., Brockville, Ont., and sold by all dealers at 25c a box.

The evangelistic service in the Portland Street Methodist Church last evening was both large and enthusiastic. The meeting was led by the pastor, Rev. Neil McLaughlin. A good choir added greatly toward the success of the meeting. There is no doubt as to the power of the Spirit in the North End of the city, and Rev. Mr. McLaughlin is looking forward to very successful services. All are requested to bring their Alexander song books, as they are being used in the meetings.

NEW RECORDS ESTABLISHED IN BRITAIN SPORT

Bonhag and Donaldson Have Some Splendid Performances

LONDON, March 1.—Followers of foot racing have had two remarkable performances to discuss lately. One is G. Bonhag's three miles in 14 mins. 2-3 secs. on an indoor track at Buffalo, U. S. A., and the other J. Donaldson's 100 yards in 8 1/2 secs. at Johannesburg, South Africa. It may be stated at once that both performances are viewed with some doubt in England. This is perhaps natural, when the critics are men with no experience of indoor running, or the conditions prevailing in South Africa. However, when you happen to understand both, he is not quite as doubtful, though some confirmation of both performances will be welcome.

There is no wind to speak of in the Seventh Regiment (New York) Army when you half-fit, the writer is quite satisfied that outdoor tracks are relatively faster than indoor tracks, and in there were a building big enough to permit of four laps to the mile track being laid out, it is more than likely some startling times would be accomplished. There is no wind to speak of indoors, and no loss of power through the give and breaking away of the cinders, which, on a loose track is all against fast times. Bonhag did 15 mins. 4 secs. in the Olympic three miles, the race being run in just 14 mins. 40 secs. He is a man, however, who has invariably shown his best running on the track. His rival J. Talbot at Buffalo made no showing in the Olympic 1 mile, but the Ontario runner, while he has had two seasons to develop, which he evidently has done, considering he recently ran a mile at Buffalo in 4 mins. 26 secs. The question as to whether indoor or outdoor tracks are faster is an interesting one, and until we have a really large indoor track, it will probably not be answered properly. Probably a quarter mile track, composed of clay (and indoors), would be faster than anything else has yet run. For K is very seldom we get a dead calm outdoors, unless the air is heavy and therefore unfavorable to the runner.

DONALDSON'S SPRINT.

Turning to Donaldson's performance at Johannesburg on Saturday, experts here recognize that he must be a wonder to beat Postle 24 yards and Holway nearly 84 yards. Holway ran 12 1/2 yards in 12-5 secs., when winning the Welsh sprint at Pontypridd in 1908. This represents a better than even time (even time is 10 yards a second). More recently, October 23, 1909, he just beat Postle in a 100 yards race at Wigga (England), and did a shade better in the same distance a heavy, holding track. This clearly shows how well Postle and Holway with his cups and medals, says a race with Sellen would be a debit into American sporting circles. He is confident of winning easily, and believes, after a study of the time made by Canadian and American runners, he will have difficulty in finding a dangerous match.

GAIN IT! REPRODUCE THE "MARRIED VOICE"

Peculiar Gift of London Writer—Home Scenes on the Stage Fail for This Reason

LONDON, Feb. 26.—A dramatic critic has been saying that in one particular point every actor and actress on the stage is a failure. Not one of them can reproduce the married voice. "The art of love-making," he says, "is highly developed and reflects the lovers of real life almost exactly. But I have never seen actors or actresses who could in any way catch the peculiar intonation of the voice which marks the conversations of married couples, be they young, old or middle aged."

"It must be apparent to any one who studies or observes the people he meets as though a wife in addressing her husband, invariably alters the tone of her voice, giving it a note or air of intimacy or proprietorship, just as a husband does when he addresses his wife. This peculiar change of voice of our best actors and actresses fail to reproduce on the stage, even though they happen to be married themselves. "At a stage garden party or dinner party the stage wife addresses her stage husband in exactly the same tone of voice as that in which she speaks to the guests. This is never so in real life."

"Even among brothers and sisters something of this peculiar note of intimacy is to be detected. Between strangers such a note would seem almost casual, slighting or offhand, but the relationship existing makes it a domestic note, a sort of home tone, which is difficult to describe and apparently impossible to imitate."

"While this is so the stage can never hope to mirror domestic life. I have seen many, many stage scenes which were meant to reflect the home life, but I have never seen a convincing one, chiefly because husbands and wives, brothers and sisters talk to each other in a way that is not outside the domestic circle can imitate."

ACTIVITIES COMMENCE IN EASTERN LEAGUE CIRCLES

MONTREAL, March 1.—Things are moving round in the Eastern League ball circuit. With Ed Barrow at the helm in Montreal we expect to have a real revival out Awtarck Park way. But what we expect here is nothing to what some of the other ball centres on the circuit are anticipating. Buffalo, the Bison team looks mighty good. The Bison backslapping department, consisting of Lew McAllister, Wally Woods and that fast colt, Alvah Williams, stands on at least even terms with the best in the league. The pitching staff, headed by the veteran, Ed Williams, is touted as a good one, and Sheets will unquestionably add strength to the pitching department. Carmichael is touted as a good one, and Sheets will unquestionably add strength to the pitching department. Carmichael is touted as a good one, and Sheets will unquestionably add strength to the pitching department.

The infield looms up ahead of last year's, at the initial scuffle either Robertson or Johnson show an all-around record superior to that of Clancy. While George Smith put up a fine fielding game at second base, Walter Dase has him fringed as a batsman, and leads him by a goodly margin in the general average column. Charley Starr will experience no difficulty in surpassing last year's record of shortstop, though he may have to travel at a speedy gait to outclass previous performances of Natty. While the percentage as regards batting is about equal, the position of shortstop has been immeasurably strengthened by the acquisition by Charley Starr. Dave Brain remains as guardian of the hot corner, making best record indeed hard to beat for speed. The Buffalo outfield remains uncompleted pending the signing of a right fielder now being sought for by Charley Starr. Dave Brain remains as guardian of the hot corner, making best record indeed hard to beat for speed. The Buffalo outfield remains uncompleted pending the signing of a right fielder now being sought for by Charley Starr.

EXPECT GANZEL TO REPEAT IN ROCHESTER.

Down in Rochester they look to be Sam Ghezzi to repeat with his Hustler team of 1910, and carry off the pennant. "The true lost Catcher Irwin and Patcher 'Cyprus' Barger to Brooklyn, and third baseman George Simmons to the Detroit Tigers, and has granted Outfielder Billy Maloney one year's leave absence. He has also sold Pitcher Roy Beecher to Columbus and Patcher Will Snyder to Gen. McCann's Bridgeport team. But notwithstanding all these losses, the big manager has gone out and recruited his team in a manner that has brought joy to every follower of the team.

The pitching department has been filled by the purchases of Walter Blair from the New York Americans, and Ed Laffite from the Chicago Cubs, and J. Scott Holmes, who promises to be behind second in 1910 than he had last year, when he was ill from mid-season. These four will do the bulk of the work, and if necessary, by Weldon Hensley, who is not all in, by Alvin Henley, and Lagoo, the only regular reliever on the staff.

Big John himself will hold down the first cushion. Harry Fritze will again be at second, with Ed. Holly back at short. Good old reliable Heinie Bach will be seen on third. In the outfield

will be Gost Anderson, who, although a weak hitter, evens up by great speed on the bases and the large amount of ground he covers in left field. Wilfred Osborn will take care of the centre field job, and it is hard to see how he was even passed up by the big-league managers. He is a hard hitter, uses good judgment on the bases and covers more ground than the average gardener. Woot Alperman can do in right field, is a matter of conjecture, as he belongs in the infield, but his hitting is credited and he no doubt will make a success as a gardener. His hitting should be at least 40 to 50 points higher than the Snow Guard artist to make good on the team.

There is plenty of baseball left in the veteran and his ability to shoot the ball will add to the batting strength of the Indians. Newark has been singularly fortunate in securing men from Baltimore. Johnny Kelly has "made good" in every department of the game, and Ray Demmitt was released by Dunn to Newark only to be "traded" into the American League—Heres-Asops, and "Cy" Dapkin and Jack Flatter have also signed their willingness to play at the Grand Stadium by McClellan.

"Jake Gettman is reported to have written to a friend in Newark that there is a possibility of his staying home in Nebraska and playing in the State League there and the fans are worrying some over the rumor. Manager McGinnity feels confident that he will be able to get Gettman to play in the Eastern League during 1910. The desertion of Gettman would leave a hole in the Indian line-up hard to fill.

MRS. LILLIE THOMAS, Upper Sandusky, Ohio. For many years Dr. Miles' Heart Remedy has been very successful in the treatment of heart troubles, because of its tonic effect upon the heart nerves and muscles. Even in severe cases of long standing it has frequently prolonged life for many years after doctors had given up all hope, as proven by thousands of letters we have received from grateful people.

Price \$1.00 at your druggist. He should supply you, if he does not, send price in stamps to Dr. J. C. Rorer, Dr. Miles Medical Co., Toronto.

NEW HONORS FOR H. J. GLADSTONE

LONDON, March 1.—Herbert J. Gladstone, governor-general of United Africa, who was recently elevated to the peerage has been created a viscount. Ivor Churchill Guest, formerly member of parliament for Cardiff and seller for Plymouth has been made a baron. INDIANAPOLIS, Ind., March 1.—"Children with bad teeth require but a year longer to complete eight grades in primary grades than do children with sound teeth," said Leonard P. Ayres, of New York, secretary of the Russell Sage Foundation, before the convention of the Department of the Superintendent of the Education Association today.

Mr. Ayres urged closer co-operation between society and school government for the improvement of the physique of children.

BOSTON, Mass., March 1.—A remonstrance against a further increase of the American navy, signed by 500 clergymen of Boston and vicinity, representing all denominations was forwarded to Washington tonight, to be presented to Congress. The remonstrance points to the high cost of living and urges international arbitration.

PHILADELPHIA, Pa., March 1.—

With the booming of guns, the battleship Carolina was today placed in commission at the Philadelphia Navy Yard. Captain Augustus Fichteler had read the orders of the navy department putting him in command.

An attractive program which will contain some unusual features is being planned by the Ladies Auxiliary of the Y. M. C. A., for an entertainment which will be given in the association rooms on March 14th. Music, gymnastics and tableaux will be included in the program. The proceeds will be devoted to adding to the furniture and equipment of the boys' room.

Your Nerves Your nerves must be fed with pure, rich blood, or there will be trouble. Poorly fed nerves are weak nerves; and weak nerves mean nervousness, neuralgia, headaches, debility. Weak nerves need good food, fresh air, and Ayer's non-alcoholic Sarsaparilla.

Fit—Finish—Style in the BOULEVARD CASTLE BRAND—3 for 50c.

Made in Berlin At 2 for 25c, you can buy this shape in the Brand, named "NEWPORT."

Chamberlain's Cough Remedy

WILL CURE Your Cold. Try It

The uniform success that has attended the use of this remedy in the cure of bad colds has made it one of the most popular medicines in use. It can always be depended upon to effect a quick cure and is pleasant to take.

It contains no opium or other narcotic, and may be given as confidently to a child as to an adult. Price 25 cents. Large size 50 cents.
