

Highest of all in Leavening Power.—U. S. Gov't Report, Aug. 17, 1899.

News Summary.

DOMINION.—The death is announced of Judge Peters, of the Supreme Court of P. E. Island. Sir Alexander T. Galt, formerly high commissioner for Canada in England, is dangerously ill with influenza. The heat in Toronto was extreme the first of last week, the thermometer registering as high as 100 in the shade. The outlook for the crops in eastern Ontario is said to be rather gloomy. The want of rain has been severely felt. A Belleville, Ont., despatch says: Eggs are being shipped from this place to the English market at the rate of 24/60 dozen weekly. A despatch from Prince Albert states that a number of delegates from Dakota, after examining the country around that place, telegraphed the minister of interior to reserve a township for themselves and others from Dakota. It is stated that Mr. Andrew Carnegie has a contract with the U. S. War department to supply \$5,000,000 worth of nickel steel for the new American cruisers and that he will order the nickel from Sudbury, Ont. The mining will be by the Harvey process. Moir's bakery and biscuit manufactory, Halifax, was burned to the ground one day last week. The premises were of brick and occupied half a block in the vicinity of the new city hall. The loss is placed at \$100,000, while the insurance only amounts to \$20,000. It is stated that the carriage trust, otherwise the National Carriage Company, had bought the eight carriage mills in Canada. They are in Halifax, St. John, Quebec, Montreal, Lacoste, Fort Hope, Toronto and Brantford. The price paid is said to have been \$2,000,000. The Baron Hirsch institute, for the establishment of which Baron Hirsch forwarded \$200,000 to the Young Men's Hebrew Benevolent Society of Montreal, was formally opened on Wednesday last. The object of the institute is for the relief and amelioration of the poor of the Hebrew faith and the education of their children. The Toronto Methodist Conference has suspended for a year Rev. James Thompson for preaching the heresy that "there is no material hell, no punishment for wrong doers, but annihilation, and that the idea that there would be punishment with perpetual fire was illogical and unsupported by scriptural testimony." The Manitoba Government's crop bulletin just issued states that the reports show an increase in the crop area of 267,407 acres over that of 1898. Of this increased area, 170,707 acres are devoted to wheat, the total territory now being 29,954 acres. The appearance of the crops on June 15th was most promising for a large yield. At the meeting of the Presbyterian General Assembly in Kingston, Rev. Mr. Murray, of the Presbyterian Witness, was called to the editorship of the Presbyterian Record, but declined in favor of Rev. Mr. Scott, of New Glasgow, who received the appointment. The Assembly has arranged to appoint a medical missionary to labor among the Jews in Palestine. It is learned from the Sun that Rev. Drs. Pope and Sprague, and Dr. A. A. Stockton crossed the bay on Friday to attend a meeting of the board of regents of Mt. Allison University, at Wrentham. The only item of business at the meeting is the election of a successor to Dr. Inch, president of the university. The Nova Scotia Methodist conference began its session in Windsor on that day. Reports from forty-eight fruit-growing districts of western New York give a most discouraging outlook for fruit this season. The apple crop is again for the third successive year almost a complete failure. The crop of Bartlett pears will be insignificant. A fair yield of Duchess d'Angoulême pears and a good crop of white cherries in some localities may be looked for. The only fruit of which a large yield is secured is the strawberry, which has blossomed fully and has been successful also in yielding a full crop. Reports from northern New England are to the same effect. The apple crop will be small. At the Anglican synod lately held in Toronto, a note was taken on a report of the state school resolution. The resolution was in the effecting the extension of the school system. It was asked by petition to amend such legislation as will secure to all the children the right to an education. The resolution was referred to the religious education of the children, and that all denominations be requested to appoint delegates to agree upon a wide basis of religious education as far as possible, and to bring the agreement to meet in a necessary part of the curriculum of every school in the land. The synod were, clergy, 109; laymen, 13; the boys, clergy, 17; laymen, 22. Mr. Asst. Stevens, of Hillsboro, narrates a recent experience that credits more than the usual amount of rain to the lower animals. Mr. S. is informed in a plaster quarry at Hillsboro, and one morning at an early hour, while going to his work, noticed his mare following him in an excited manner. She would run up to him and then look back in the opposite direction. Such unusual conduct as this from the brute creation induced him to retrace his steps, the mare then taking the lead and Mr. Stevens following in nearly the same degree of excitement as the anxious mare, who finally stopped close by a pile of brush, and there to the surprise of Mr. S., was a little colt a few hours old that had become entangled in the brush wood. McINTOSH.—At Rugged Head, on the 12th inst., Mrs. Ann McIntosh, widow of the late Jared McIntosh, in the 84th year of her age. Deceased had been a member of the Baptist church for 55 years. SUNDLAND.—At her home at Elmcroft, June 6, Mrs. Mary Sunderland, widow of the late George Sunderland, aged 88 years. The deceased was baptized a few years ago by the Rev. Mr. Trumble. She died with a sure and certain hope of a glorious resurrection. JORDAN.—Suddenly at Little River, on the 12th inst., Mrs. Sophronia Jordan, beloved wife of Alva Jordan, aged 45 years. Sister Jordan was a believer on the Lord Jesus Christ, and for her to die was gain. Funeral services preached on Sabbath, June 14th, by her former pastor, Rev. E. H. Thomas. CALVERT.—Suddenly at Hopewell Cape, Allen Calvert, in the 71st year of his age. He had been baptized some 45 years ago, into the membership of the Hopewell Baptist church, by the late Rev. Wm. Sears. He had lived a consistent Christian life, and after an illness of ten days passed quietly away. MEYER.—May 26th, after an illness of fifteen months, in her 25th year, Mattie Jane, wife of John Meyer, of Isaac's Harbor. She was baptized at one of the Freshell Baptist churches, at Halifax, about two years ago; since which time her Christian life has been exemplary.

Deaths.

She died trusting in Jesus. She was buried on the 28th, the pastor officiating. DOWNS.—At Ferrisburgh, N. S., June 12, of paralysis, Mrs. Mary Downs, aged 90 years. She lived a devoted Christian life, and was prepared for immortality in glory. She was the mother of sixteen children, and leaves eleven children, fifty-five grandchildren, and a great-grandchildren, and a large circle of friends to mourn their loss. The funeral services were conducted by pastor L. J. Tingley. LINTHOS.—May 20th, after an illness of only seven days, in his 85th year, Bro. J. Wm. Lintnos, of Isaac's Harbor. Bro. Lintnos was one of the oldest members of this church, having been immersed about fifty years ago. His life was that of a true Christian. He left us in his sleep. His departure is a great loss to his bereaved family, the church and this community. He was buried on the 24th, the pastor officiating. NEELY.—At his home in Brooklyn, Annapolis Co., June 2, Clark Neely peacefully entered into rest in the 84th year of his life. Deceased was baptized by Rev. Dr. Brill in 1856, and maintained a consistent walk for more than half a century. Bro. Neely did not always enjoy the assurance of faith, and in his last days the burden of iniquities was sustained by a faithful and kind father, whose influence did so much in bringing them to Jesus. CAREY.—At Fairview, Kings Co., June 1, of consumption, Ada M. Carey, aged 21 years, daughter of Deacon Francis and Augusta Carey. About four years ago her sister, under influence of Christian training and by studying God's word, became deeply conscious that she was a sinner, and after some weeks of deep anxiety she obtained that peace that can be found only in Jesus. In April, 1899, our sister made a public profession of her faith in Christ, and was baptized into the fellowship of the 4th Cornwallis Baptist church, by the Rev. Isa. Wallace. About five months ago she was stricken down with consumption. But through her tedious illness she was sustained by faith. Never a murmur escaped her lips, but with unflinching faith in her Redeemer, she went down to death. Such an example of Christian patience is rarely ever witnessed; her pathway was that of the just which shone brighter and brighter as she neared the end of her earthly journey. Her remains were buried in the church and Sabbath-school to which she belonged. We tender to the heart-stricken parents and four weeping sisters our sympathy. ESTABROOKS.—At Fredericton, on the 29th April, in sure and certain hope of a glorious resurrection with them who sleep in Jesus, Hannah Lee, relict of the late Charles Estabrooks, of Canning, Queens Co., in the 84th year of her age. While yet in the days of her youth, she was converted, baptized and received into the fellowship of the old Canning Baptist church, and for sixty years her witness has been "to the honor of Christ and the glory of His name." United to her Lord by a living faith, keeping covenant with the church in all humility and brotherly love, and "walking in wisdom towards them that are without," her life and testimony have been full of "praise and worship and blessing to God our Father, and the Lord Jesus Christ." Through an intimate acquaintance of many years, the writer had learned to revere her simple faith, and kind and gentle Christian character. She passed away quietly, suffering little pain, and resting confidently and fearlessly upon the promises of a covenant keeping God. "Blessed are they that do His commandments, that they may have right to the tree of life and may enter in through the gates into the city." Try "Dyspeptique" for Headache!

"Saturday Headache" "Sunday Headache"

For the cure of Headache there is probably no remedy known that can compare with "DYSPEPTICURE." Numbers of those who have been so quickly cured by it, have suggested that its name be changed to "Specific for Headache" or "Sure Headache Cure," insisting that some such name would make it known to ten times the thousands who have already found out its wonderful worth for all the ills the Stomach is heir to. All kinds of Headaches are caused by some Stomach trouble: Bilious or Sick Headache comes from disordered Liver; first to a weak Stomach; Nervous Headache is the effect on the Brain of some disorder of that great Nerve Centre—the Stomach. "Dyspeptique" cures Headache, for the same reason it cures Indigestion and Chronic Dyspepsia, because it acts directly on the Stomach, soothing the nerves, soothing the irritation and neutralizing those acid and poisonous gases that "fly to the head" causing the miserable suffering known as Headache. All who are subject to Headache may surely expect it after any indigestion in eating, while over-exertion, worry or nervous excitement nearly always brings on an attack. The "Saturday Headache" of overworked and weary women is cured by Dyspeptique; the "Sunday Headache" of overtired and underworked men is cured by Dyspeptique; a small dose, say, half a teaspoonful in two tablespoonfuls of water generally cures quickly; it is seldom a second dose, an hour afterwards, needs to be taken.
