Work on the grain conveyors to serve the city wharves at Sand Point is now well underway. The materials necessary for the construction have been placed on the ground and the work of building has already been started. Officials of the Metcalfe Construction Co. said yesterday that the work was progressing favorably and would be completed in time for business.

## Sussex Booming.

"Sussex is making good progress this year," said Editor McKenna of the Record, who was in the city yesterday. "Counting the armory, the new railway station, and the improvements to the dairy school building, with private construction, a total of nearly a quarter of a million dollars worth of new buildings will be erected this year. Everybody is pleased about the prospects for next year."

A. B. Wilmet, Dominion Immigration agent for New Brunswick, was in the city yesterday. During the absence of James Gilchrist in England Mr. Wilmet will frequently come to St. John to assist in the work of the provincial immigration office here. ## Coal Not Advancing.

"There will be very little advance on the present price of coal during the winter," this was the joyful news given out by a prominent coal dealer yesterday. "Citizens can feel sure that the price will not advance more than a few cents, or enough to cover the added expense of handling during the winter months." The dealer said with much more than a hint of sarcasm that the price will not advance more than a few cents, or enough to cover the added expense of handling during the winter months. ## POOR APPLE CROP IN THIS PROVINCE

## Dominion Fruit Inspector here, says Sales are Slow —Fruit Act Change an Improvement.

"Prices of apples this fall are good, but sales are rather slow," said S. L. Peters, Dominion Fruit Inspector, who was in the city yesterday. "The apple crop in the province has, however, only been up to our expectations; that is, it has been poor."

"A matter of interest to fruit growers is the fact that a change has been made in the Dominion Fruit Act, placing responsibility for the quality of fruit offered for sale upon both the packer and orchardist. Every barrel must contain a card, showing who the packer was and where the fruit was grown."

Mr. Peters said the wet weather this fall had interfered with the harvesting of potatoes and other root crops, but that the results of the season would be fairly satisfactory.

## WILLIAM M'INTYRE CHARGED WITH ROBBING BANK OF N. S.

Understood that Former Bank of New Brunswick Clerk, who Joined Nova Scotian Institution at Time of Amalgamation, has Confessed in Toronto —\$10,000 Missing.

William McIntyre, who until recently was a member of the staff of the Bank of Nova Scotia here, was arrested in Toronto early yesterday and is charged with appropriating to his own use \$10,000 of the bank's funds while in St. John. The story of the loss by the bank has already appeared in the papers.

Several months ago the bank inspectors while at work in the Prince William street branch of the bank here, found that money was missing from the treasury. At first it appeared that several members of the staff were implicated, but a closer investigation showed that McIntyre only could be suspected.

McIntyre had been transferred to the Chicago office of the bank, and in September 3, he left St. John. After the work of the inspectors was completed in St. John McIntyre was summoned to the head office in Toronto where he was held.

It is understood that McIntyre confessed to taking \$10,000. Details of his confession were not sent to St. John, but a warrant was issued for his arrest, and he was taken into custody in Toronto on the strength of this.

He will be brought here as soon as possible. McIntyre, who came here from Scotland, was in the employ of the Bank of New Brunswick before the amalgamation with the Bank of Nova Scotia, and he was continued in the Prince William street branch as an accountant.

It is expected that he will be brought to St. John early next week, as Chief Clerk has already sent an officer for him.

## USED KNIFE IN FIGHT IN SHOE STORE

William Harry now in Jail on Serious Charge — Inflicted Ugly Wound on Opponents Hand.

A Union street shoe store was the scene of a bold and deliberate assault yesterday afternoon as the result of which William Harry, aged 35 years, a native of New Brunswick, is now confined in jail. He was charged with using a knife on cutting and wounding Mont M. Hope, whom he attacked while in the store between four and five o'clock in the afternoon.

It is understood that the prisoner was under the influence of liquor, and after he entered the store used abusive language which was followed by an altercation resulting in Hope being wounded on the hand.

Harry pulled a jack knife from his pocket and attacking Hope drew the blade across his hand, inflicting an ugly wound about the knuckles. The matter was reported to the police and Harry was placed under arrest by Detective Killen and Policeman Sullivan. When arrested a bottle of liquor and a knife were taken from the prisoner.

Harry will be brought before the court this morning to answer the charge made against him.
