FREDERICTON HIGH WON FROM ST. JOHN HIGH

Fredericton and Saint John High Schools were the contenders in the Interscholastic Hockey League yesterday in the Queens rink. Fredericton won by a score of seven to four. For St. John Gorman at right wing was the bright particular star and Donnolly at cover point played a good defensive game. James Gilbert acted as referee in his usual efficient manner. NEWS A

CLOSING LETTER OF N. Y. MARKET BY E. & C. RANDOLPH

(McDOUGALL & COWANS.)

New York, Feb. 11.—The market showed little change from its irregular and comparative inaction. In the afternoon New Haven was carried up 3½ points to 72 on a buying movement which had its basis in the postponement of financing with a preferred stock issue. Part of its $25,000,000 notes due on May first are to be paid off and the remainder carried along temporarily with the expectation of a preferred stock issue later on.

Anaconda continued by far the most active issue in the market and held above yesterday's closing level, selling at one time up to 91. In the late trading some part of the gains were lost and signs of increased activity in the railroad stocks subsided. Outside influences appear to have little or no effect on the market but on the whole are largely of a favorable nature with the possible exception of the political situation. This is likely to cause some uncertainty in the market between now and the November election. Prospects for record earnings in practically all lines of business, however, are excellent. England is placing new war orders in this country under irrevocable contracts running into 1917, which indicates that companies in that line of business will likely get high prices for their capacity output for another year.

Sales, 565,342. Bonds, $4,000,000.
