WINNIPEG STRIKE
IS ABOUT OVER
Ottawa, Ont., May 19. — The Dom-
inion secretary of the G. W. V. A.
has received a reassuring telegram
from Winnipeg representatives, in which it
is stated that hope is entertained for a
settlement of the Winnipeg strike
soon.
"The strike situation is lightening,"
reads the telegram. "The city is quiet
and orderly. Labor terms, involving
recognition of the right of collective
bargaining, are subject to the Mayor."
It is taken by the Veterans' Press
that the latter sentence means
that both sides have agreed to abide
by the decision of the Mayor as to col-
lective bargaining or individual bar-
gaining with the unions on strike.

Believe Bodily Harm Will Be-

Berlin Without Having
Made Peace Possible.
Versailles, Sunday, May 18. (French
Wireless Service)—The German Coun-
cillor of Legation, who expressed the
view on the return from Berlin to-
day, that the German delegation would
not meet with bodily harm if they did not
sign the treaty, said he based his de-
claration on the peace-hunger of the
German people.
"You seem to fear that we will not
sign the peace treaty," he said, "but
we will sign it because if we were to
return to Berlin without having signed
it, we would be massacred on reaching
Berlin. The people are hungry for peace
and are growing impatient. The ques-
tion that is causing us most anxiety is
that of commercial openings without
which we could not carry out, despite
all our good will, the clauses of the
treaty."

BRITISH AIR

**MINISTRY UNDER
HARSH CRITICISM**
Believed it Should Have Ex-
erted Itself to Render As-
sistance to British Aviators
in Trans-Atlantic Flight.

London, May 19.—(By the Associated
Press).—The start of Harry G.
Hawker across the Atlantic in his bi-
plane is given precedence by this
morning's newspapers in their news
columns over the achievement of the
American naval aviators in reaching
the Azores, but all available news re-
garding the latter flight is printed
prominently. Some of the newspapers
contain editorial comment on the
Azores success. "It was a splendid
performance, of which any nation
might well be proud," says the Daily
Mail. "There is likewise some rueful
comment by the press upon the orga-
nized naval aid given the American air-
men, which is contrasted with the ap-
parent indifference of the British Air
Ministry to the plans of the British
aviators. If the ministry had bestirred
itself, says one commentator, the Brit-
ish might now be celebrating a tri-
umph instead of congratulating the
Americans.

At the air ministry the action of
the Daily Mail in offering a prize for
the trans-ocean flight was given official
vindication, it being pointed out that
the policy of the ministry through had
been to foster the enterprise of the
aviation companies.
"Had no prize been offered," said
one official, "the air ministry would
have undertaken the flight months
ago. We have airplanes, seaplanes and
men capable of making the trip, but,
at the request of the aeronautic trade,
the ministry stood aside to give the
commercial aviators a free hand. It is
quite possible that within a few weeks
any loss of prestige will have been
more than regained."

WINNIPEG SOVIET
STORY REPUDIATED
Toronto, Ont., May 19.—In response
to an inquiry from the Canadian Press
the sensational story of the formation
of a Soviet government in Winnipeg
was repudiated by the Associated Press
of New York to their St. Paul office
confirmation. At three p. m. the
following answer was received:
"Soviet false story repudiated by
city, military and union officials.
Rumor came from the fact that the
city and military officers have not ac-
cused any individuals of being ag-
gressive steps in strike develop-
ment have been made by the other
side."
