Dalhousie Won From St. Francis

Intercollegiate Football Game
at Antigonish Yesterday
Resulted in Score of 6-0.

Antigonish, N. S., Nov. 8.—Dal-
housie defeated St. Francis Xavier in
the intercollegiate football game here
yesterday by a score of 6-0.
Despite adverse conditions the game
was a brilliant exhibition of snappy
football. Mud puddles made footing
insecure and the ball greasy, but both
sides staged spectacular runs and
scores. St. Francis Xavier
forced the play from the kick-off
and in the first 20 minutes the ball
was never outside the visitors' twenty-
five yard line. The Dalhousie defense
however, was equal to this situation
though the honors of the play in this
period clearly went to the home team
as they failed to break through, while
the solid and black went across for
a try.

The Dalhousie forwards made them-
selves felt in the second period. The
snappy Dalhousie backs few opportu-
nities of taking the offense. The play
surged into the blue and white and
the line being threatened several
times. Towards the close of the period
White broke through the St. Francis
defense and planted two ball be-
tween the posts. The try was not con-
verted.

The Dalhousie team was heavier
and rangier, excelling in scrumming
and punting. White and Haslam were
the most effective. The referees were
Dr. J. J. MacDonald, New Glasgow.

Local Labor May Unite With Farmers

Executive Meeting Last Night
Considered Proposition from
Albert County Farmers.

The executive of the New Brun-
swick branch of the Independent Labor
Party held a meeting yesterday evening
in its hall on Church street. Presi-
dent F. S. McMullin presided as chair-
man.

The chief question which was
brought up for discussion was that of
the attitude of the Labor party in run-
ning one or two candidates in the con-
stituency of St. John's, and it
occupied the attention of the members
for three hours or more. Several of
the speakers deprecated very vigor-
ously any alliance with the Liberal
party, and declared that the Laborists
should run a candidate from their own
ranks. The secretary, Charles Stev-
ens, also read a communication from
H. H. Thibault, president of the
Farmers' Union of Albert county, who
had arranged for the holding of a local meeting
next Saturday evening and intimated
that the question of running a farmers'
candidate would be considered.

Labor Advocates.

John W. Bruce, Labor candidate for
East Toronto, who has been in the
Maritime Provinces and Prince Ed-
ward Island during the past three
weeks in connection with the political
activities of his party, was the fore-
most advocate of the policy of run-
ning a Labor candidate independent
of the Liberal party. He declared that
he strongly favored fusion with the
Farmers' party, and the running of
one Labor and one Farmers' candidate
on a so-called Progressive ticket. The
Labor party had to start somewhere,
and many who had run as candidates
in the last election realized that it
would be impossible to defeat the
Union government. He believed, how-
ever, in the registering of a protest on
election day against the old political
parties, and said that Labor should
have about sixty-five candidates in
the field throughout the Dominion, but
voiced his opinion that possibly from
ten to fifteen would be successful.

It was finally decided to adjourn the
meeting of the executive until Friday
evening; but, in the meantime, several
of the officers of the Labor party will
get in touch with a number of the
Farmers' party with a view to pos-
sibly effecting some arrangement
whereby F. A. Campbell, who has been
endorsed by the executive, will run
with a Farmer candidate on the same
ticket. In view of last night's de-
velopments it is now improbable that
Mr. Campbell's name will go before
the Liberal convention tonight, but, on
the other hand, the suggestion above
outlined will be made to the Farmers'
party and its decision will be placed
before the meeting of the Labor ex-
ecutive on Friday evening. This was
the idea which was advanced by John
W. Bruce and accepted by those pres-
ent.

Liberal Party Outlook.

Several street rumors last night
mentioned that the name of either H.
R. McEllan or Frank W. Halteray
will be placed before tonight's con-
vention of the Liberal Association, and
while officers of the party refused to
confirm or deny the reports, the indi-
cations are that either of the above
men will be nominated. In the course
of the last few days certain aspirants
for the Liberal nomination have sup-
ported their claims by stating that
they will have the support of the La-
bor vote, but a very prominent officer
of the Labor party emphatically de-
clared that the men in question will
receive absolutely no support or en-
dorsement from his party. He also de-
clared that if some intimation were

Mike McTigue Put Jack Stone Away

Champion of Canada Won by
Knockout Route in Eighth
Round at Montreal.

Montreal, Nov. 8.—Mike McTigue,
of New York and Halifax, middle-
weight champion of Canada tonight
knocked out Jack Stone, of New York,
in the eighth round of a scheduled ten
round bout.
Solly Green, local lightweight, out-
pointed Ralph Brady, Syracuse, in a
ten round bout.
George Girardin, outpointed Kil-
Henry, both of this city, lightweights
in a ten round bout.

A fighter who is a hard puncher will
never want for work, and Mike
McTigue is getting plenty of it.
When the Irishman hooked up with
Jack Stone at the St. Denis he fought
his third battle in nine days. By stop-
ping Stone and McTigue in his pres-
ent fighting form is liable to stop any-
one—it was his fourth straight knock-
out victory.

McTigue fought and knocked out
"Buck" Crouse in Montreal two weeks
ago. Saturday night in New York he
stopped K. O. Jaffe, a tough customer
who had been winning some smart
victories until he bumped into Mc-
Tigue's right hand. On Wednesday
night he stopped Crouse again in four
rounds.

McTigue has the greatest record
right now of any middleweight in the
division, if straight knock-out wins
alone are considered. The only divi-
sion he has lost in many months was
to Battling Levinsky, a night heavy-
weight, who had twenty-five pounds
the better of the Irishman. Knockout
victories over George Robinson, John
Kloche, K. O. Jaffe, Gene Brownson
Stone and Crouse make McTigue's
record something for Johnny Wilson
to ponder over very deeply and darkly.
If McTigue's record was to be stand-
ed with the "K. O." sign, he'd have a
better chance of a bout with Wilson.

St. David's Young People Society

Canadian Literature Was the
Subject—Program in Charge
of Miss McMurray's Class.

A thoroughly Canadian spirit pre-
vailed at last evening's regular for-
tightly meeting of the St. David's
Young People's Society. Canadian lit-
erature was the subject, the program
being in charge of Miss McMurray's
class.
After an enjoyable solo by Miss Er-
minie Climo, a most interesting ad-
dress was given by Rev. H. A. Cody.
Mr. Cody told of the recent conven-
tion of Canadian authors held in Mon-
treal. His early experiences as an
author, his efforts to publish his first
book, and the effect of a severe criti-
cism upon him were described by the
speaker. The St. John's author's as-
sociation, which is now in its second
year, was also mentioned. The
"Cremation of Sam McGee" was the
next number after which sketches of
authors from the various provinces
were given by the following: Saskat-
chewan and Alberta, Miss Elizabeth
Campbell; Manitoba, Miss Jessie Jam-
ieson; New Brunswick, Miss Isabel
McDonald; Nova Scotia, Miss Ethel
McGadden; Prince Edward Island,
Miss Marion MacDonald.
Miss H. M. Pendleton next read
from "The Habit" (William Drum-
mond). After a solo, well sung by R.
T. Mawhinney, a Thanksgiving con-
test was held the prize for which was
won by Miss Ethel McGadden. The
meeting was largely attended and the
program greatly appreciated by all
present. Gordon Willett presided.

Much Activity At The Y. M. C. A.

Winter Programme in Full
Swing—Staff is Brought
Up to Normal.

Much activity is apparent at the
Y. M. C. A. these days; the winter
programme has all been mapped out
and is being proceeded with by all
the members who display much en-
thusiasm in the different plans made
for their enjoyment.
The staff has been brought up to
normal again. R. A. Pendleton, last
year's social work secretary, has been
appointed acting general secretary in
the vacancy caused by the resigna-
tion of Capt. S. B. Stokes. He is be-
ing assisted by Courtney Baldwin, a
retired soldier, who is filling the
duties of office secretary.
H. A. Morton has been appointed
boys' work secretary, and has as his
assistant, Homer Smith, of New Glas-
gow. Mr. Morton was associate to
N. F. MacDonald, last year.
Captain William Bowie continues
in his duties as physical instructor.

official nature, that such news pretend-
ed to have the support of the Labor

members of his party.

Membership Drive

Is Being Planned

Y. M. C. I. Intend to Increase
Their Membership—Similar
Drive Last Year.

Plans will be made at a meeting to
be held at the Y. M. C. I. tonight to
launch the membership drive which is
to be launched for the popular institu-
tion.
A similar drive was organized and
conducted last year and met with
much success as the membership
went up to one of the highest levels
on record, and the Y. M. C. I. was
the center of the athletic loving young
men and women throughout the entire
winter season.
Although the institute is most
ideally equipped and must necessarily
have a strong appeal to the athlete,
it is little known that the Y. M. C. I.
the work being carried out there is
due to the genial general secretary,
J. H. Colman, and the energetic
physical instructor, W. E. Stirling.

POLICE CLEARED OF CHARGE MADE

Commissioner Thornton yesterday
presented his report to the common
council on the investigation into the
charge, that evidence had been sup-
pressed by the police in connection
with the O'Brien trial. Nine wit-
nesses had been heard, Mrs. Marie
Tesscott, Kenneth Donohoe, W. A.
Gorlin, A. B. Clifford, P. P. Biddle-
combe, J. T. Power, J. H. Saunders,
Mrs. Mary Fleming and W. B. Wallace.
K. H. His findings were as follows:
"After careful consideration of all
the evidence, and more particularly
that of Mr. Wallace, the crown prose-
cutor, I have come to the conclusion
and report that there is no evidence
whatever to substantiate the charge
that the police failed in their duty or
withheld any important evidence from
the crown prosecutor."

GOOD FREIGHTS FROM UP RIVER

As the end of the river boat season
approaches the freights are coming
from up river in large quantities. Po-
tatoes and apples are the greater part
of the produce that is being handled at
present. Although this is an off year
for apples in New Brunswick, large
consignments have been brought to
Montreal on the boats in the past
month. The winter apples are selling
around \$3 and \$4 a barrel, and there
seems to be quite a demand for them.
There has not been much change in
the price of potatoes at the boats
lately and they are being sold for
about \$2.25 to \$2.50. Hay is quite
plentiful and the price ranges around
\$2.

tered teams for the Dunlop trophy

cton on Saturday next. The trophy is

will be the second annual meet. The
names of the St. John and Halifax
teams have not yet been received.

INTERMEDIATE BASKETBALL

According to the revised schedule
prepared for the Intermediate section
of the City Basketball League the
first game will be played on the 22nd
when the Y. M. C. I. intermediates will
play St. David's on the Y. M. C. A.
floor. While no date has been set
for the opening of the Senior section
it is hoped that two teams will be
ready to play the same night.

POLICE PERSONALS.

Detective Saunders has returned to
duty after being confined to his resi-
dence for the past two weeks by ill-
ness. He was threatened by pneu-
monia but managed to escape the
dead clutches.
Night Deskman Edwin Thomas is
now away on his holidays on a trip
to Plaster Rock, Moncton and other
sections of the province where he
will visit friends. Deskman Thomas'
duties are being filled by the callman
Officer Hatt. Police Constable Mc-
Eldiney is acting call man.
Detective Patrick Biddlecombe is
on his holidays which he is spending
at his old home in Chipman. Detect-
ive Kenneth Donohoe has returned
to duty after two weeks' holidays.
Police Constable Quinlan is acting as
police constable at the place of
Sergeant Hastings, whose absence is
due to illness.

City Basketball Senior Section

Possibility of a Complete
Shake-up — Entire New
Teams May Be Formed.

There is a possibility that a com-
plete shake-up will take place in the
senior section of the City Basketball
League this season, and that the
three Y. M. C. A. teams, the Seniors,
Aberis and Trojans, will be broken up
and three entirely new teams formed,
which with a fourth team from the Y.
M. C. I. will constitute the senior sec-
tion of the City League.
A meeting of the City League was
held at the Y. M. C. A. last night at
which representatives of the senior
and intermediate teams were present.
The intermediate schedule was drawn
up, after which the representatives of
the teams affected withdrew, and the
senior teams proceeded to consider
matters pertaining to their section of
the league.
It was reported to the meeting that
the three Y. M. C. A. teams had failed
to agree as to the apportioning of
players so as to strengthen the line-
up of the Aberis, and after a general
discussion the meeting adjourned.
A special meeting of the Y. M. C. A.
seniors was then held, and it was de-
cided that unless the trouble could be
overcome before Friday, Nov. 11, it
would be necessary, in order to satisfy
the public demand for the popular
game, to select three teams from the
senior class of the Y. M. C. A. These
three teams, together with the Y. M.
C. I., to comprise the City League.

It is believed that three evenly
matched teams can be selected from
the available players; in fact, three
interesting team possibilities have al-
ready been suggested to replace the
Seniors, Trojans and Aberis.
Unless a solution is forthcoming,
mentioned above, a special meeting of
the Y. M. C. A. players will be
held at the local Y. Friday evening,
Nov. 11, at 8 o'clock.

Another Hiker

Is Heard From

P. J. F. Martin MacDonald
Will Start on 9,000 Mile
Walk to South America.

Ottawa, Nov. 8.—On Friday morn-
ing, at ten o'clock, P. J. F. Martin
MacDonald, a long distance walker
who has earned international fame,
will start out from the Grand Central
Hotel on a walk of 9,000 miles which,
if he accomplishes the feat, will take
him to Punta Arenas, the most south-
erly point of South America, situated
on Terra del Fuego, south of Patag-
onia, according to a news item in
the Ottawa Citizen, today. The hike is
being undertaken for a wage of \$37.
50 between MacDonald and W. R.
Howard president of the Argentine
Racing Company, the paper says, and
during his long walk the hiker will
only be permitted to carry a sporting
rifle, although the trip will be through
many wild parts of the South Ameri-
can continent, including Patagonia
where the headhunters have their do-
main.

SHARKEY TO GET CHANCE AT BUFF

New York, Nov. 8.—Jack Sharkey,
considered a good fighter until a year
ago, while he started doing his road
work on dance floors, will get first
chance at the bantamweight cham-
pionship since it was transferred to
the management of Johnny Buff. John-
ny has agreed to meet Sharkey in a
16-round decision debate at the Gar-
den here on Nov. 11.
If Buff survives Sharkey's rushing,
slugging attack with hoodlums, the
next fight Joe Lynch, former cham-
pion, or Phil O'Dowd, some time with-
in the next 90 days.

Notre Dame Won From The Rutgers

Converted Game Into Track
Meet, Running Circles
Around Easterners.

New York, Nov. 8.—Notre Dame to-
day converted its football game with
Rutgers into a track meet, and run-
ning circles around the eastern team,
claimed a 48 to 0 victory.
The flashy Indiana eleven which
last Saturday trounced the Army,
played an even faster game on its
second eastern appearance this sea-
son. When Foster Sanford's pupils
tried to match their forward passes
against Knute Rockne's tribe, they
looked like a primary class in arithme-
tic matching wits against a college
class in mathematics.

When the Indiana backfield wasn't
aiding and abetting in the manufac-
ture of successful passes, it was run-
ning the hundred around end in ten
flat. It was one of the swiftest sets
of backs seen in the east this season.
Just by way of variety, Wynne and
Castner, who each had made fifty
yard runs for touchdowns, kicked a
field goal apiece.

Rutgers had only one chance to
score and missed that. It was in the
second period. A long forward pass
was thrown to the Rutgers' quarter
back, who had brought the ball to Notre Dame's
twenty-five yard line, when another
pass was batted into the arms of a
Rutgers' player on the two yard line.
Then the Scarlets quarter elected to
essay another forward, with the result
that Notre Dame soon took up the
offensive again.

New York University easily defeat-
ed Trinity today, 23 to 0.
Philadelphia, Nov. 7.—Wm. T. Tilden
of United States lawn tennis cham-
pion, said here today he did not expect
to go to England next year to play in
the British championship, which he
has twice won.
"Much as I would like to try for the
title at Wimbledon again," Tilden said,
"I feel that, in view of the strenuous
season in prospect here, the risk would
be too great."
