OVER THE WESLEYAN

Nevertheless it was the testimony of history that John Wesley saved England. He did this by preaching Jesus Christ and Him crucified. If the Methodist church levan continued.

Methodist he had refused it.

It was pointed out by another speaker that the Nova Scotia conference asked this conference if they wished to have the Wesleyan continued. was to maintain its position in the world it must preach the whole doctrines of the Circulation Problems.

the idiot. He urged that it was important that the positions of the clergy and laity might be understood on the matter. The attitude of the Roman Catholic church as set forth in the Ne Temere decree he regarded as intolerable and thought it the duty of Protestants to combat the matter even if it meant going into the courts.

Continuing, he referred to the fact that the fathers of the Methodist church had recently been called into court to defend the doctrines of their body. He protested that no judge, however learned, was comtant to the business done during the statement of the business done during the catholic church as a business and business enterprise was a balance of about \$875.
