THE PRESBYTERIAN REVIEW.

The Presbyterian Review, pub-
lished by the Poole Publishing Co., of
Toronto, contains a large amount of
interesting matter in its issue of
Nov. 29th, just to hand. On the
front page of the cover, is an ex-
cellent picture of Rev. D. C. Hossack,
M. A., LL. B., editor. There is also
an illustrated article on the work of
Rev. William Meikle, who has been
stated pastor of Cooke's church, To-
ronto, during the vacancy; also on
Rev. A. B. Winchester, minister-elect
of Knox church, Toronto, on Rev.
A. J. McLeod, late Principal of the
Regina Industrial School. The
number contains an excellent re-pro-
duction of the central figures of
those about the Moderator's desk at
the Historical Moment when the Coven-
ant Union was signed, uniting the
two Scottish Churches. The news of
the churches is exceptionally well
arranged, and of the advertising
pages, the most interesting is the
full page illustration showing the
mills and Toronto and Montreal ware-
houses of the Consolidated Pulp &
Paper Company Limited.

GOOD NEWS.

A few days ago, Mr. T. G. McMullen,
a prominent lumberman of Nova Scot-
ia, one of our most enterprising men,
left for New York to be treated for
what was thought to be cancer
in the throat, and it was then con-
sidered doubtful whether Mr. McMullen
would return. The news now reaches
us that there is a prospect of suc-
cessful treatment, and a return
to health. Many friends will be
glad to hear this, for the gentleman
referred to is a large employer of
labor, one who would be greatly mis-
sed if laid away from the activities of
life.—Hants Journal.

Confined to Bed.

To the Egyptian Rheumatic Oil Co.
I certify that I was laid up with Rheu-
matism, utterly helpless for nine days, four
of which I was confined to my bed. Last Sat-
urday my father got a bottle of your EGYPT-
IAN RHEUMATIC OIL, of which I have
only used half, and am now well. I recom-
mend all sufferers from Rheumatism to use
EGYPTIAN OIL.

The Coldbrook rolling mills, three
miles from St. John, on the I. C. R.,
were totally destroyed by fire on the
19th inst. These mills were latterly
owned by W. H. Thorne & Co. The
buildings and plant were worth \$50,
000, and the stock, much of which
has been saved, was worth \$40,000.
The insurance was but \$5,000.

Ottawa's total assessment for the
year is \$25,667,205. In that city
there is property exempt from taxa-
tion, Dominion and Provincial Build-
ings, churches, convents, colleges,
schools, etc., worth some \$12,000,000.
This enormous exemption to the a-
bove assessment would very material-
ly lessen the rate of taxation in our
Dominion Capital.

CRAMPS, LIKE BURGLARS,

come just when they are not ex-
pected, and least welcome. One
minute cure for Cramps is what you
want. Nervine simply acts in-
stantaneously. Its anodyne power
is unique—for its composition ex-
presses the highest medical progress
of the age. Nervine is a true
comfort in the family, for in all de-
rangements of the stomach and
bowels, it is an absolute specific. Five
times greater medicinal value than
any other preparation sold, is
Nervine. Your druggist sells it, or
can get it.

One of the good results of our Ex-
hibition. In an interview with
many of our city grocers, they re-
port that the sale of Red Rose has
increased very much within the past
few months, particularly since the Ex-
hibition, when this popular Tea
was brought so prominently before
the notice of the people.

Just arrived from Crosse & Black-
well, England, a shipment of this

gallon jars and quart bottles; marmal-

dine and Bloaters in pots; sau-
ces, Lee & Perrin's Worcestershire;
Mushroom Ketchup; Ess. of Ancho-
vies, Capers, etc.; seasonings, such as
Sage, Summer Savory, Mint, Thyme,
Parsley and Mixed Herbs; these are
all fine goods, put up in patent stop-
per bottles that are always useful.

ALL RIGHT IN DISCOUNT

But a Poor Medicine.

Common soda is all right in its
place, and indispensable in the
kitchen and for cooking and washing
purposes, but soda was never intend-
ed for medicine, and people who
use it as such, will some day regret
it.

The common use of soda to relieve
heartburn, and sour stomach, is a
habit which thousands of people prac-
tice almost daily, and one which is
fraught with danger; soda gives
only temporary relief, and in the end
the stomach trouble gets worse and
worse.

The soda acts as a mechanical ir-
ritant to the walls of the stomach
and bowels, and cases are on record
where it accumulates in the intes-
tines, causing death by inflamma-
tion, or peritonitis.

Dr. Harlandson recommends as the
safest and surest cure for sour
stomach (acid dyspepsia) the daily
use after meals of an excellent pre-
paration, sold by druggists, under the
name of Stuart's Dyspepsia Table-
ts. These tablets are large 20
grain lozenges, pleasant to the
taste and containing the natural
peptones and digestive elements
necessary to good digestion, and
which all weak stomachs lack.

Stuart's Dyspepsia Tablets used
regularly after meals, digest the
food promptly and thoroughly be-
fore it has time to ferment, sour
and poison the blood and nervous
system.

Dr. Wuerth states that he invari-
ably uses and recommends Stuart's
Dyspepsia Tablets in all forms of
stomach derangement, and finds them
a certain cure, not only for sour
stomach, but by causing prompt diges-
tion of the food, they create a
healthy appetite, increase flesh,
and strengthen the action of the
heart and liver.

They are not a cathartic and con-
tain no violent drug, but are intend-
ed only for stomach diseases and faulty
digestion, and generally acknowl-
edged to be the most reliable cure
for any stomach trouble except cancer
of the stomach.

Stuart's Dyspepsia Tablets now en-
joy an international reputation and
popularity, and are sold by drug-
gists everywhere in the United
States, Canada and Great Britain.

The closing for the vacation of the
Acacia Villa School at Grand Pre, was
as usual, a most interesting func-
tion. After the literary entertain-
ment was over, 45 boarders, 5 day
scholars, all the teachers and a num-
ber of invited guests, sat down to a
grand turkey "spread." Principal
Patterson was the recipient of a
kind address from the boys. Speech-
es were made, and Rev. W. H. Lan-
gille was among those who made ap-
propriate and very happy remarks.

We advise you strongly to keep
Kendrick's Liniment in the house.

Fred Metcalfe, of the Canadian
Mounted Rifles, of Kingston, Ont.,
was wounded at Belfast, the 10th, in
the thigh. After Metcalfe was
wounded he managed to escape, and
by crawling on his hands and knees,
for he was unable to walk, and by
rolling over and over, he managed to
cover the thirteen miles separating
him from General Smith Dor-
rien's column, and was cared for by
surgeons. When Metcalfe was taken
prisoner the Boers took away his
rifle and side arms. They also wanted
to take his watch and valuables, but
these he absolutely refused to give
up, telling them if they wanted them
they must first kill him.

CURED A BAD CASE OF DEAFNESS.

St. Thomas, Ont.—"I have used
Catarhazone for impaired hearing,
and have been much benefited by
its use, so much that I can now
hear quite well. I am now recom-
mending it to my friends." Thomas
Riddle.

Fully nine-tenths of cases of im-
paired hearing arise from Catarhazone
Irritation. There is no question as
to the efficacy of Catarhazone, in
cases of impaired hearing from this
cause, as the evidence of several tes-
timonies similar to the above, em-
phatically proves. Any one suf-
fering in this way, can test Catarh-
azone by sending us 10 cents in
stamps, for which we will prompt-
ly mail them a trial outfit sufficient
to demonstrate its great efficacy.
