DO YOUR EARS RING? HAVE YOU CATARRH?

A buzzing noise in the head is the beginning of chronic Catarrh. If not checked, the result is deafness. May Remove Peace Conference Elsewhere

Obstructive Policy of French Press Is Charged, As Reason.

Paris, Feb. 10.—The question of moving the peace conference from Paris to a neutral country may be considered by the conference board if what is characterized as the obstructive policy of the French press and certain French officials continues to be developed to-day.

Representatives of various other powers taking part in the peace conference, it is declared, believe that the work of the body is being greatly hampered through unfriendly criticism by the French press of various leaders in the conference.

Proposed Action.—They are reported therefore as inclined to consider the removal of the conference, if the hostile attitude of the French press is maintained, should it be deemed necessary to take up the matter it would be considered at a full meeting of the peace conference.

Just what is meant in the foregoing dispatch by "the obstructive policy of the French press and certain French officials" is not clear, probably for the reason that there has been great difficulty in obtaining prompt and full reports of developments in Paris in connection with the peace conference.

During the war there was seldom any difficulty, despite the serious handicap of the censorship, in getting through news matter from France in reasonable time and in plentiful volume, largely over the direct French cable lines.

Censorship Evident.—Since the delegates began assembling for the peace conference, however, and especially since the real work of the conference started, the communication with France has been of the most uncertain sort.

Virtually no news has been received over the French cable line, the best and quickest means of communication since the conference began.

All the cable and wireless services have been greatly congested, but the chief difficulty has been that, although the French cable was nominally in service, there has been complete inability to transmit news matter over it and all the cable communication for weeks past has been by round-about routes.

JUST APPLY THIS PASTE AND THE HAIRS VANISH

(Helps to Beauty)

A safe, reliable home-treatment for the quick removal of superfluous hairs from your face or neck is as follows: Mix a stiff paste with some water and powdered delatone, apply to objectionable hairs and after 2 or 3 minutes rub off, wash the skin and the hairs are gone. This simple treatment is un-failing and no pain or inconvenience attends its use, but to avoid disappointment be certain you get genuine delatone.

A SICKLY WIFE NO FIT MATE FOR ANY MAN.

Never before was physical health and vigor so highly esteemed and so eagerly sought for as to-day. For a man finds happiness in a sickly wife, and the woman who wishes to enjoy the pleasures of life should spare no effort to maintain perfect health.

Is your daughter growing up strong and ruddy? Has she strength to drink in greedily all the pleasures that youth so zealously seeks—or is she compelled to use the street car instead of enjoying the delightful exercise of walking—does she after the ball arise refreshed and vigorous, or is she exhausted, indifferent, and perhaps irritable?

When strength and vigor can be so easily maintained by Ferrozone, when the glow of health is so quickly brought to the cheeks and elasticity to the step, it is plainly a mother's duty to see that Ferrozone is on hand to assist her daughter back to health.

Upon the wake of Ferrozone quickly follows a stream of rich, nourishing blood which imparts that power and surplus energy so earnestly desired by those in ill-health.

Stop and think what this means for your daughter—certainly a great deal, and it can be accomplished by Ferrozone.

Every growing girl and young woman derives enormous benefit in many ways from this nutritive vitalizing tonic.

It is specially suited for young women and is a guarantee of health and regularity as long as it is used. Ferrozone is free from alcohol and perfectly safe to use. Prepared in the form of a chocolate-coated tablet and sold in 50c. boxes or six for \$2.50, at all dealers, or direct from The Catarrh-ozone Co., Kingston, Ont.
