Beavers Win Opening Game In The Local M. O. Series

Win By 2 to 1 Over Battle Creek Before the Biggest Crowd Ever at Any Ball Game Here. Kitchener Only Canadian Team to Win Yesterday.

The Michigan Ontario brand of baseball made a hit with local fans yesterday afternoon when the opening game here took place. About two thousand five hundred enthusiastic followers from the city and other places in the county packed the grand stand and bleachers and lined the side spaces of the athletic field.

left the City Hall at 2:45 and proceeded to the park via South Water Street. Previous to entering the athletic ground the Union Jack and the Stars and Stripes were hoisted in Victoria Park. Both teams held a workout. After a photo taken in front of the Grand Stand the teams were addressed by Mayor Gross who welcomed them to the city; he remarked that the citizens delighted in good sport and he wished the league and teams success.

The game was riveted the attention of the 'kids.' It wasn't long after school that they were there strong. Every body seemed to be satisfied with the first number on the season's program. The game was thought a good clean, interesting and fair one.

The result of the play—Kitchener's Beavers, 2, Battle Creek 1. The score indicates the character of the play in every way. It was clean, nifty and exciting all the way. It showed that the league will play good ball and that the supporters will have something worthwhile to see this summer.

Gleanings From the M. O. League

There is a shake-up coming in the ranks of the Brantford Michigan-Ontario Leaguers. Manager Lee and the directors of the club are far from satisfied with the showing of the team, even though the season is barely under way.

There will be need for the addition to the grand stand. Yesterday's attendance showed this is the case.

CRISIS IS
Militia Prepared
REV. IVENS URGES SOVIET RULE, ON BOLSHIEV KINES
THIEF RIVER FALLS, Minn May 21.—(By Main Johnson and J. Conklin, staff correspondents) (Copyright 1919 by Toronto Daily Star).—Citizens of Winnipeg prepare to-day to see some excitement, on streets during the afternoon. Many autos and trucks dashed and down, loaded with great packs of suspicious appearance to the ordinary mind. Others were carrying bundles of hay and others were filled with soldiers in uniform, wearing a bright red of mounted police gsmulor khaki. They were going the barracks with consignments of officers.
Hundreds of automobiles were questioned yesterday and asked report at 12:30 o'clock after being given a number with an O.H.M. sign on each. Nothing of an important nature happened up to 1 o'clock in the afternoon but military authorities are evidently preparing for eventualities. The Government has secured several tax for refilling autos and pressed this into military service. Policemen were off the streets at noon yesterday their union having heard that militia will take over authority. There had several times stated that it would go back on strike, if the militia interfered with the authority of the streets.
Chance to Open Negotiations
Members of the Citizens Committee stated to impatient ones that everything was working fine. In a midst of it all, another offer was received by Mayor Gray from the General Strike Committee that there was a chance to open new negotiations. Premier Winnick, of the La. Council, said that he had seen Premier Norris, who wanted a conference report on what the strikers were willing to accept and what they were willing to give before he would let it before the Citizens' Committee. This will be done and will be by Friday, when a great delegation will present it to Premier Norris.
All morning engineers, firemen, trainmen of all systems have been in session discussing their participation in the strike, and the sentiment seemed favorable for a break. They were addressed by Chairman Beet of the Canadian National Railway branch of the Brotherhood, who is a warm advocate of "one big Canadian union." His words had effect and it would not be surprising if the railwaymen broke away from the United States affiliation and joined the new movement, despite protests of all men of older membership, who lose standing and pens and insurance in the international.
Chief Detective George Smith stated that the city has never been so full of disorders as at present. His arrest has been made and unions are continually warning members not to do anything that would cause trouble.
Wires are being pulled to a victory for the men. Railway clerks are not yet out but are willing to join. All running trades were solidly for a strike. Their decision was accepted by the Strike Committee and they will walk out at ten minutes notice upon call of the committee.
Aldermen Ernest Robinson, Secretary of the Winnipeg Trades Labor Council and of the Central Strike Committee made it plain in speech in the Board of Trade building that the present strike is a revolutionary move, which is planned spread east and west until it reaches Halifax and Vancouver and industries are owned and operated by workers. He said: "I have that I do not know how far strikes will go now. I say geographically speaking this strike will continue until it extends to Halifax to Vancouver. We have received word from all interned points between here and the that Winnipeg is the leader and do as we do. We will and set the standard for the fight. Crisis of Strike Has Arrived.
What is believed to be the critical time of the Winnipeg general strike has arrived. A Citizens' Committee of two hundred, in cooperation with Mayor Grey, has taken action of substantial nature to end the trouble. This Citizens' Committee issued a bulletin, a printed sheet of four pages, hampering the methods of the strikers hampering the free delivery of food and only allowing drivers to deliver to bakeries on permit of the general Strike Committee. Policemen were off the streets at noon yesterday indicating they heard military were going to take charge. Citizens Committee bulletin said: "It is to the general public of Winnipeg that we speak in stating without equivocation, t
