

## Women's council says no to How to Say No to a Rapist

The film *How to Say No to a Rapist* and *Survive* is under fire by the joint councils of the Status of Women's Councils of Canada and they have moved a resolution asking the attorneys general of the provinces to withdraw the film.

The film has been shown many times in Mississauga and reviewed by this paper. Produced by Frederick Storaska, the film deals with the subject of rape in a humorous

way, advising women to flatter and play along with a rapist.

This advice, according to a legal opinion obtained by the Ontario Status of Women Council, is misleading and dangerous.

Their resolution asks that all provinces and local authorities make strenuous efforts to ensure that school boards and police departments use other available films and discontinue the showing of the Storaska film.

## Bright children may get a break

Bright kids in Peel may get a break. The Association for Bright Children, Peel Chapter presented a brief last week to the Special Needs Task Force of the Peel Board of Education urging them to provide mandatory programs so they can reach their full potential.

Rosemary Magagna of Mississauga said, "We wondered whether there would be enough parental support to organize our own Peel chapter of

A.B.C. Their first meeting was attended by 200 parents and interested citizens. Forty new members have signed since May.

"From the vibrations we felt from the task force, there could be some changes made to develop a program for the gifted and bright children here in Peel."

The new chapter took only one month to compile its brief.

## Saying hello at Landmark

The Dixie Belles, a group of singing seniors, and the Cordially Yours Barbershop Quartet delighted the new residents at Shipp's Landmark condominium last week in a "welcome to your new home" garden party.

Residents strolled the grounds, sipped Sangria, said hello to their new neighbors and reacted warmly to the visiting singers.

The Dixie Belles, beautifully gowned in garb of the 90s, each in a different color, wore

bonnets that matched their lace and silk gowns and matching parasols. In a grand finale, they raised their parasols and strolled, singing, through the grounds.

But that was only the beginning. Lamplights were lit and, after the garden performance, the singers visited with their audience and spontaneously began singing with them in small groups.

Shipp organizes parties on a regular basis so new residents at Landmark will feel at home.

## 50 years together

Elizabeth and Archie Brown celebrated their 50th wedding anniversary at the Clarkson Community Centre recently among family and friends. The couple lives in Park Royal. They were married in Wishaw, Scotland and came to Canada in 1958.

## Around town

## School's out!

Elmcrest Public School finished the year in style with a whirlwind of carnival activities, each one devised by a different class. Wet sponges were thrown at clown, Sue Mill, table tennis balls had to be blown up a slanted table, Tin cans had to be knocked down with bean bags and candies were to win, chew and trade for balloons.

### PUBLIC NOTICE

THE CORPORATION OF THE CITY OF MISSISSAUGA

IN THE MATTER OF THE ONTARIO HERITAGE ACT, 1974, S.O. CHAPTER 122.

AND IN THE MATTER OF THE LANDS AND PREMISES KNOWN MUNICIPALLY AS THE BRITANNIA SCHOOL HOUSE LOCATED ON THE WEST SIDE OF HURONTARIO STREET, SOUTH OF BRITANNIA ROAD (PART OF LOT 3, CONCESSION 1, W.H.S. IN WARD 4) IN THE CITY OF MISSISSAUGA IN THE PROVINCE OF ONTARIO.

**NOTICE OF INTENTION TO DESIGNATE**

Take notice that the Council of the Corporation of the City of Mississauga on the 12th day of June, 1978, decided to designate the lands and buildings, known municipally as the Britannia School House, located on the west side of Hurontario Street, south of Britannia Road (Part of Lot 3, Concession 1, W.H.S. in Ward 4) as a property of historical value or interest under The Ontario Heritage Act, 1974, S.O. Chapter 122.

**SHORT STATEMENT OF THE REASONS FOR THE PROPOSED DESIGNATION**

The Britannia School House is recommended for designation on the architectural grounds that, in design, it represents a typical nineteenth-century Ontario schoolhouse and, in its attention, and the decorative brickwork around the windows and the door, it is a fine example of nineteenth-century building skills. Historically, it was used as a school for more than half a century and it has long been a landmark on Hurontario Street.

Notice of objection to the designation may be served on the Clerk within thirty days of June 28, 1978.

DATED at the CITY OF MISSISSAUGA this 28th day of June, 1978.

TERENCE L. JULIAN, A.M.C.T.  
CITY CLERK
