Rt. Hon. Arthur Meighan,
Ottawa

Dear Sir:-

Your recent note was received by me, at the hospital here a few days ago.

I might explain, that I have been in Wellesley Hospital, during the past week, and expect to be here one week longer.

My difficulty was one of cataract. I was operated on, one week ago, and I'm glad to report that Mr. Campbell has just assured me, that my vision will be perfectly natural again in a few days. The result which I sincerely hope will follow, because I expect and long to be with you at the opening of the House, when I trust that I may be enabled, to see with my natural eyes, the
