me a day - in elc its - Ottawa - in on
continuous day - but - legal business
Saturday afternoon - do night work often.
and it seems to me if I can't have the
odd day off once in a while - there should
be some arrangement that I have a rest day
each month - I've been here five weeks
and haven't moved off the don sleep - except
to visit Indian houses. One can't stand
too much of that. I was home for Sunday
March 26th Mother and Dad so ⁹/₁₀ anniversary
I just went, and I believe my inspection
was very good - I made the excuse that I
had a terrible tooth ache and had to
have it seen to - well I did have dental
work that needed attention - and had it
done - The hair gets in at home, and I went
right to the dentist, and then out to Auntie's
had a lovely visit to both Auntie & Uncle
and took the hair home, coming back I came
