Ottawa, September 15, 1908.

Sir,-

Referring to your letter of the 6th ult., inclosing a communication from the Sister Superior of the Blue Quills Boarding School, in which she asks the Department to pay for a cream separator left by an Agent at the institution, I beg to say that you may have the machine at present on hand at Emmanuel College put in good repair and make arrangements to have it shipped to the Blue Quills school.

This is comparatively a new separator and should give satisfaction. You will be good enough to notify the Sister Superior accordingly, and at the same time inform her that the Department will not assume any liability for unauthorized purchases or articles left on approbation.

Your obedient Servant,

For Laird
Secretary.

The Hon. David Laird,
Indian Commissioner,
Winnipeg, Man.
