Ottawa, 12th

Sir:-

With reference to official cheque No. recently sent you in favour of the Sarnia Garage that it has been observed that consequent upon the voucher which Mr. Abraham submitted to me in this matter, was rendered, an overpayment had been made to the above mentioned firm. The firm's bill amounted to \$33.87 and included a charge of \$13.17 for tractor. Apparently Mr. Abraham overlooked the amount which he and when preparing the voucher attached to the account of the Garage, added to the firm's charge of \$33.87 an amount for freight on tractor, thereby making a total amount on the voucher \$47.04. This was not observed until after the amount had been paid. It therefore became necessary to order the firm to refund of \$13.17 from the firm without delay, and the Department that you will collect the amount from the Sarnia Garage and forward it to the Department immediately.

Your obedient servant,

Acting T. Maxwell Esq.,
