Twenty telegraph operators of the middle and fifteen of the eastern division of the Grand Trunk railway have received notice of dismissal. The company, it is said, will adopt the composite telephone system. The operators are very uneasy, and believe that the action of the company is aimed at the Order of Railway Telegraphers. The operators were recently awarded by arbitration an increase in salary of about \$5 a month.

The Canadian Bank of Commerce is issuing Money Orders that are payable at any Chartered Bank in Canada, United States or England as advertised elsewhere. This convenient mode of transmitting money at such a low cost is being taken advantage of by merchants and others making frequent remittances, and this enterprising banking institution is to be highly commended for the adoption of a service that will supply a want that is meeting with such high approval by the public.
