Single Copies, 5 cents.

The Greatest of These

BY ANNE P. L. FIELD

How marvellous are those compelling powers
That come not with the clang and crash of arms
Filling the earth with tremulous alarms—
But silently, as grow the warm-hued flowers,
Lifting frail cups to catch the summer showers;
As quiet stars within the heavens swing,
Or moves the royal Sun, of planets king—
Along the march of velvet-footed hours.
Or like the tide, whose work is never done,
Majestic in its ceaseless ebb and flow—
As nature's changing seasons softly run
Through drifts of rose-leaves into drifts of snow—
But from the arching silences above
Comes God's most potent gift,—the power of love.
