**Gossip.**

Mr. Wm. Smith, Columbus Ont. writes: "I have sold recently, to Mr. Geo. Hillebrecht, Iroquois, Ont., my herd bull, Lord Clara, 50588. Judging from his youngsters that are now appearing in my herd I feel sure that he will be highly valued in his new home.

The bull that takes his place in the Glasgow herd is Royal Clara, 56772, a half brother of Lord Clara, purchased from Mr. Arthur Johnson, Greenwood, Ont. He is sired by Royal Bruce (imp), 52628 dam, Clara C. 2nd, 54588, by Count Douglas (imp.). Royal Clara is a beautiful roan, of grand scale and substance, and covers with firm but mellow flesh. I consider him to be the best bull that has yet headed my herd.

I have sold also to Mr. Peter Dick, Graton, Ont., Strathmountain, 56578, and Wedding Gift, 30418, 70529, by Ben Lomond (imp.) 45100. This high choice yearling heifer and should breed fine stuff. She is sired by Ben Lomond (imp.). A dark red bull, deep low set, and belongs to that grand old and reliable family of Strathmountain. I have for sale now a bunch of six bulls. Any one of them is fit to head the best of herds. Each breeding is right and as individuals they are hard to beat. Write or come and see them. The prices are right. My heifers are an exceptionally even lot, most of them sired by that great sire, Ben Lomond (imp.). They are as he left them all deep, clean, mellow-handlers, and covered with lots of hair.

A splendid example of employer and employee working in harmony was shown last week at the annual convention of the

Frost Wire Fence Company's agents. Nothing was left undone by the firm to make the occasion one long to be remembered, and of great benefit to both employer and employee. The Frost Wire Fence Company was organized less than 10 years ago. From a small beginning, they have worked their way to the top of the ladder. The programme included a visit throughout the factory, showing the machines in operation, meetings at which discussions were held as to the best methods of advancing the Company's interests, a banquet and a theatre party. The agents left with the determination to still further boost the interests of the Company, and make the coming season the best in its history.
