

## FORESTER'S HOLSTEIN SALE.

Good satisfactory prices were realized at the Holstein sale of Mr. Geo. Forester, held at Gormley station on March 24th. Some of the females sold particularly well. The premium figure was given for Oash Mercedes De Kol, \$215, to Frank Boyle, Richmond Hill. O. D. Sales, of Lansing, paid \$128 for John Belle Abberker De Kol, and J. A. Koresell, Bondhead, \$126 for Max Myrtle De Kol. Other good prices realized were \$126 for Susan Ann's Plum, to J. W. Campbell, Unionville; \$120 for Susan Ann, to Len Summerfelt, Unionville; \$115 for Morris Hengerveld De Kol to Frank

Grand Cows that will be Sold at the Belleville Sale

The mature cows here illustrated will be a part of the consignment of Geo. W. Anderson, Rosemont, Ont., to the Belleville Holstein Breeders Sale on April 3rd. They are splendid individually and big producers as their records testify. Numbered from left to right, 1 and 4 are daughters of Keyes Count De Kol, and have records of 15.90 and 12.36 lbs. butter in seven days. Nos. 2 and 3 are not yet fresh, are both smooth and 14.95 lbs. butter at three years. No. 5, an imported cow, produced in February this year, 17.86 lbs. butter in seven days.

Some of Mr. Anderson's Typy Two-Year-Olds

All of the two-year-old heifers here illustrated are in Record of Merit and are bred by Record of Merit Bull. The three on the right are by a son of Pietertje, Edger Count De Kol. The other two are by Velstra Triumph, whose daughters have in every case produced more butter than the dams ever did. All of these are consigned by Mr. Geo. W. Anderson to the Belleville sale.

Heifers Such as would be a Credit to any Breeder of Holsteins

A feature of the offering of Mr. Geo. W. Anderson, Rosemont, Ont., to the Belleville Consignment Sale is the splendid array of two-year-old heifers here illustrated. The five to the left may be seen in the cut above. These heifers are smooth, well mouth under two years old. Those to the left are fresh and in R.O.M. at ages of one year and nine months to one year and 11 months. Those on the right are due to freshen shortly after the sale on April 3.

Boyle, Richmond Hill. Numerous other animals sold over the \$100 mark. Bull calves ranged in price from \$25 to \$60. Other buyers present were: John Nigh, Baira; F. W. Tamblyn, Orono; Joh Ground, Victoria Square; E. R. Guelator, Woodbridge; John Brethour, Plumville; J. S. Goodall, Plumville; J. A. McNaughton, Maple; Barnard, Oak Ridge; A. Herriek, Ringwood; C. R. James, Langstaff; R. Ganning, Hagerman; J. R. Campbell, Stouffville; John Mckenzie, Willowdale; C. R. Dyke, Geo Whitmore, Edgley; M. Gouthrie, Vander; J. Lau gon, Maple, and Henry Burnett and D. W. Cluhine, of Elgin Mills.

## GREATEST VIEW HOLSTEINS

Editor, Farm and Dairy.—I have at the head of my herd Dora De Kol Pietertje's Count, No. 512, half-brother to May Echo, the champion R.O.P. cow of Canada, with nearly 24,000 lbs. milk and 1,100 lbs. butter in one year. This bull has never been beaten in the show ring. In 1910 he won first at Belleville and Pictou in hot competition; also first at a diploma at Napanee in 1911. My former herd bull was Karel Joseph, No. 7169. He was a son of Karel Boek, whose dam and grand-dam have the largest officially authenticated records ever made in Holland. Dam of Karel Joseph was Josephine Mechthilde De Kol, 15,244 lbs. butter, 324 lbs. milk in 7 days, A.R.O. as a 3-year-old. She is a daughter of De Kol 2nd Butter Boy 3rd, 12 A.R.O. daughters, and 61 sons, undoubtedly one of the best bulls in the milky way.

I have several daughters of Karel Joseph, five of which I have consigned to the Belleville breeders sale. These heifers have never been tested, but show great vim and udder development. Among the bunch I have consigned is Pontiac View, a fine straight young cow, being a grand-daughter of Hengerveld De Kol, 115 A.R.O. daughters and 23 proven sons, and many other ones equally as good.

There will also be offered three yearling bulls, sired by Karel Joseph, their dams milking up to 68 lbs. milk in one day at three years old on ordinary care. These bulls are good individuals, perfect marking, and with the breeding back of them they cannot help but make excellent stires. In the Farm and Dairy are sired by the same bull, and out of Delta Bella De Kol, a daughter of Judge Hengerveld De Kol and Pontiac View, a grand-daughter of Hengerveld De Kol, which I have already mentioned. Parties wishing to inspect the notification—Archibald, Parks, Napanee, Ont.

## GEO. W. ANDERSON'S CONSIGNMENT

(Continued from last week.)  
Edler Triumph, a four-year-old, sired by Velstra Triumph, is in the R.O.M. She is a magnificent cow and a magnificent producer. She will be tested again before the sale. This heifer has but to be seen to be appreciated. She has one daughter already in R.O.M.

In the five-year-old class is another daughter of Velstra Triumph, who produced at three years, 14.95 lbs. butter in seven days. She is due to freshen one month after sale to Franci Bonerkes Korndyke, a son of the 1911 four-year-old Canadian champion.

There are two six-year-olds, both daughters of Keyes Count De Kol. Keyes of Gold has a record of 16.90 lbs. butter in seven days. She is of the distinct entry type, a very persistent milker, and has two daughters in R.O.M., one of which at two years made 12 lbs. butter in seven days, and the other 14.15 at one year eleven months. Mollie Keyes Countess in a recent test produced 12.16 lbs. butter in seven days. Another mature cow, Kittie Edler Clothilde Beets Rex (imp.), in February of this year, produced 17.95 lbs. butter in 7 days, and has one R.O.M. daughter.

The six bulls are all from R.O.M. dams. Two of the bulls are ready for service, and four from two months to six months old, each comprising some of the blood of the great producing strains of Velstra Triumph. Combined with this we have one the descendant of King Segis, who has 68 A.R.O. daughters and 16 proven sons; in two others, the Count Echo De Kol strain, and he sired the world's champion in R.O.P., nearly 24,000 lbs. milk in one year; in two others, the descendants of Pontiac Korndyke, who is sire of the world's champion in A.R.O., the ex-world's champion, and seven daughters whose records average 12.12 lbs. butter in seven days. These bulls are a choice lot, and you can make no mistake in selecting one of these.

## ITEMS OF INTEREST

Dr. Hollingsworth, city food and dairy inspector, has completed a record of the 18 dairy farms supplying milk to dealers in the city of Ottawa. Practically every farm on the list shows up well, none failing below 950 per cent in their score. The list is topped by Mr. T. J. Graham, Lakeview Farm, Britannia-on-the-Bay, with the high score of 99½ per cent. The score is for methods, milk, cleanliness, etc. Mr. Graham's farm was a leading prize-winner in the Interprovincial Dairy Farms Competition conducted by Farm and Dairy last year.

## Who Pays The Duty?

Why pay fancy prices for calf meals of foreign manufacture when you can buy CALFINE at 30 dollars a ton cheaper and secure at least equal, and in most cases superior, results?

## CALFINE

"The Stockman's Friend"

has been most carefully experimented with at Macdonald Agricultural College, where it has given excellent results. It is now in use on some of the largest and best equipped dairy farms in the Dominion.

Ask your dealer for a 100lb. bag of CALFINE as a true-vim will soon be back for more. If your dealer does not handle it, write us. We will do the rest.

Feeding directions sent on application.

CANADIAN CEREAL AND MILLING CO., LIMITED  
TORONTO, CANADA

## GETTING TIRED?

Are you getting tired of waiting for buyers to come along? Don't wait for them. Do like other progressive breeders do: Go after them. The beauty of this medium for you (the advertiser) reaches us within your reach, and get you many buyers. Space like this, each week, costs you only 98 cents in Farm and Dairy, and reaches nearly 12,000 possible buyers. Better send your ad. today—Farm and Dairy, Peterboro, Ont.
