Gossip.

Writing recently to "The Farmer's Ad-
vocate," J. A. Watt, Elora, Ont., in-
forms us that he has sold the show bull,
Brownale to Jas. Douglas, of Cale-
donia. The bull, Brownale, won first
at Saskatoon, Regina and Edmonton;
was second at Brandon, third at Tor-
onto, and was first and champion at
Ottawa. Mr. Watt also writes that he
has sold many other animals this past
summer.

The Spice of Life.

For Sale—Pair of broncho horses.
Good weight, sound, broken. Owner in
hospital. Address L. B. Schell.

He was wandering aimlessly around
in a department store when the floor-
walker approached him.

"Looking for something?" he asked.

"Yes, my wife," replied the man.

"Describe her."

"Well, she's a sort of limousine with
heavy tread and usually runs on low."

A special preacher, about to ascend
the pulpit of a country church, was
asked if he would like any special hymn
to be sung to agree with his sermon.

"No, no," he replied; "as a matter of
fact, I hardly ever know what I'm going
to say until I am in the pulpit."

"Oh, well, in that case," said the
vicar, "we had better have the hymn,
'For those at sea.'"

A clever old lady, who went into so-
ciety in the days when conversation was
more important than cooking, asked a
niece on her return from a recent func-
tion if it had been very enjoyable.

"Very," replied the niece. "The menu
was great!"

"My dear," said the old lady severe-
ly, "it isn't the menu that makes a
good dinner; it is the menu sit next to."

A clubman who poses as a humorist
was having his shoes shined at a rail-
way station.

"And is your father a bootblack, too?"
he asked the boy at his feet.

"No," said the bootblack. "My father
is a farmer up the state."

"Ah," said the humorist, as he reach-
ed for his notebook to make an entry,
"he believes in making hay while the
sun shines."

Not Worrying—"Mandy," said the old
woman to her daughter just back from
a day's washing. "Mandy, what-all did
Miss Sally done say t' you?"

"She done say," repeated Mandy sol-
emnly and impressively. "'Mandy, does
yo' know that yo' persesses a im-mor-
tal soul?'"

"Lan' sakes, Mandy! An' whut did
yo' respon'?"

"Ah, sayed," answered Mandy flip-
pantly. "Ah don' care!"—Times of
Cuba.

Two Irishmen were engaged in a dis-
pute in a cemetery one day.

"Well," said one. "I don't like this
cemetery at all, at all."

"Well," said the other. "I think it is
a very fine cemetery."

"No," said number one. "I don't like
it at all, at all, and I'll never be
buried in it as long as I live."

"What an unreasonable coud fool ye
are, to be sure," said number one, ap-
parently losing his temper. "Why, man
alive, it is a fine cemetery, and if my
life is spared, sure I'll be buried in it."

In a small town the janitor of the
school-house, much to the surprise of
his friends, resigned his office. When he
was asked why he did so he said: "I'm
honest, and mean to be above suspicion.
If I find anything when sweepin' the
school I allus return it. A few days
ago I read on the blackboard, 'Find the
greatest common divisor.' Well, I look-
ed all over for it, but I wouldn't know
the blamed thing if I bumped into it.
Last night, in big writin' on the board,
it said, 'Find the least common multi-
ple.' So I says to myself, 'Both these
things are lost now, and I'll be accused
of takin' 'em.' So I just up and left."

Sydney Basic Slag

If you use Commer- cial Fertilizers

we want you to give
Basic Slag a trial next season.

WHY?

Because it will give you as good
results as any fertilizer you
have ever used, and will cost
you \$10 to \$15 per ton less
money.

If you don't use Com- mercial Fertilizers

you are not farming to
the best advantage. You can
increase your profits by utiliz-
ing any fertilizer put out by a
reputable concern, but

Sydney Basic Slag

will give the best results at the
lowest cost.

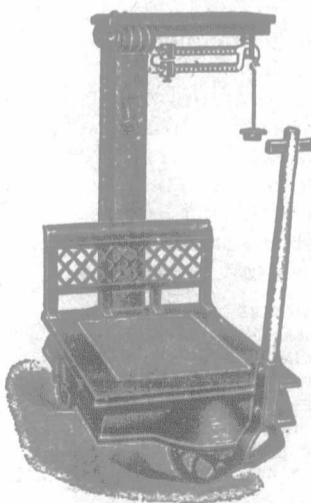

Send us your name and address, and let our
General Sales Agent call and have a talk with you.
If you use Commercial Fertilizers, and he cannot con-
vince you that you should employ our product, or, if
you have never used Commercial Fertilizers, and we
cannot give you the names of farmers in your district
who have used Sydney Basic Slag with the greatest
success, WE WILL SUPPLY YOU WITH ONE TON
FREE OF CHARGE for trial purposes.

Aylmer Pillar 3-Wheel Stock Scale

So much more convenient than the
four-wheel scale, which is awkward
to move and must be placed on a
smooth, level surface. The ad-
vantage of the 3-wheel scale is that it will stand steady
on rough ground or uneven floor. This feature is
patented and is exclusively an Aylmer feature.
ACCURACY is an important consideration in buy-
ing scales, and here again the Aylmer stands pre-emin-
ent. The most sensitive and accurate poise, with dis-
tinct markings on the beam. This scale is a wonderful
convenience, and no farm is properly equipped without
one. Shipped, freight prepaid, to any station in Ontario
on receipt of price, and "money back" if not satisfied.
