Evidence Not Wanting

classified advertising than any other farm paper in Western Canada.

if any further evidence regarding The Guide's "pulling power" were needed it is forthcoming in the letters which The Guide receives from those who have used its columns:

In the advertisement we put in your paper on White Wyandotte Cockerels for sale. We have had very good results—more orders than we could fill.

My ad. in The Guide brought remarkable results. I intend to make use of its columns later in the season as we have about 2,500 birds for sale this fall.
