Eighteen pound lyddite shells manufactured in Belleville for use against the Hun are now on exhibition in the show window of the Trenton Electric Company, Bridge Street. These products of the Marsh and Henthorn Foundry are attracting much notice from the passing public. Steps in the process of manufacture are explained by the exhibits. First there is a bar of steel sawed off at the proper length for the shell. By its side is a piece of steel which has been bored. Another exhibit illustrates the turning at the top of the shell, the turning at the base for the insertion of the copper band to engage in the grooves of the rifling in the cannon's bore. Presentation and Address at St. Ola

On Sunday evening July 4th, at the close of the service in the Methodist Church, Mr. G. Barragar, rector-steward was requested by the Pastor to occupy the chair. After a few preliminary remarks Mr. and Mrs. P. P. Clark were called to the front when an address was read by the pastor and Mr. E. Hills presented Mr. Clark with a cane and Miss E. Embury handed Mrs. Clark a Bible as a gift from their friends of St. Ola and Greenhurst appointments. Mr. Clark made a feeling reply. The address which follows is self-explanatory.

To Mr. and Mrs. P. P. Clark, St. Ola July 4th, 1915.

Dear Friends:

With the passing of the years many changes come into our lives. Among them is the removal of friends from communities where they have long resided and in which they have rendered valuable service. It is with regret we realize that the ties which have bound you to St. Ola are about to be severed by your removal to Belleville and in consequence the transfer of your membership from St. Ola Mission in the city. You have been so long associated with St. Ola that we shall miss you very much. It will be largely owing to your energy, enterprise and liberality that the mission has in this village a church and parsonage of which is may well be proud. You, Mr. Clark, have held various offices in the church and the duties pertaining thereto have always been faithfully performed. You have also nobly represented the mission both at District Meeting and in Conference. In the Municipality of Limerick you have given years of efficient service. In your various labors you have had the sympathy and co-operation of Mrs. Clark who has taught in the Sabbath School, sung in the choir, and been helpful in every good work. We could not think of allowing you to leave us without expressing our feelings of goodwill towards you and we herewith beg you Mr. Clark, to accept this cane and you, Mrs. Clark, this Bible as mementoes of our friendship and love. Permit us to indulge the hope that you may find in your new surroundings warm friends, pleasant church and social relationships, opportunities for service and that in your retirement from business you may enjoy the evening of life amid the privileges of the County seat of Hastings, beautiful Belleville.

From your friends of St. Ola and Greenhurst appointments.
