## CHIEF RANGER GIVES HIS VIEWS

I. O.F. Financial Affairs Considered QUESTION OF RATES

Head of Order Moves Important Resolution-His Report

TORONTO, June 16 .- It seems that the Supreme Court, Independent Order of Foresters, will go most thoroughly into the financial question. The court was formally opened today, though outside of the report of the supreme chief ranger, Elliott G. Stevenson, little business was transacted. The afternoon was largely taken up with the reading of resolutions and suggestions of delegates regarding the amendment AMHERST, N. S., June 16 .- Judge of constitution. These resolutions were Russell is presiding at the supreme all referred to committees to deal with. ourt here for the first time in this

One outstanding resolution was county. At the opening today C. R noved by the supreme chief ranger Smith, K. C., in the absence of the atand provides for the appointment of a torney general, extended to the judge standing committee to pass upon all a cordial welcome on behalf of the loans and also investigate loans. This grand jury, the bar and citizens of the county, his lordship making an approcommittee is to be given a great deal of latitude if the resolution finds favor, The grand jury found a true bill and it may conduct investigations as against Reginald Hartley, charged with to the business done in the past with attempting to murder Brenton Veno, regard to loans. As the resolution at accused having been arrested afterpresent stands all its members have wards in the Annapolis Valley. Also in be unanimous before any loan can be directed into certain channnels. A number of other resolutions were

introduced calling for information with reference to the workings of the head office, statements concerning the number of employes, their salaries and other information is desired. It will depend largely upon these returns if 1st; Ritchie, 2nd; Faweett, 3rd. any drastic steps will be taken towards cutting down expenses.

Apparently a majority of the delegates from the United States are determined that they shall be fully represented in the councils of the order hereafter or that their representation shall be as complete as the constitution allows. In the accredited list of representatives are 204 names, of whom 103 are from the states. In fact the comstitution may be amended so as to give the United States portions of the order more influence at headquarters." ranger's report are naturally devoted day, at noon, in St. George's Episcopal to kindly mention of the name of the

## ROTHESAY COLLEGE GLOSING PASSED OFF SUCCESSFULLY

Despite the Inclement Weather-Distribution of Prizes-Mr. Moore Will Remain a Year as Assistant

rain yesterday afternoon, the closing exercises at Rothesay College passed off very successfully indeed. There was not the usual large attendance because of the weather, but there were many friends from St. John as well as other points in the province, to say thing of the usual large crowd from Rothesay.

The boys carried their lengthy proramme of sports through without a break. They jumped in the mud and from every point of view the competiions were unfavorable for any records. They were well repaid, however, later when Mrs. Moore, the wife of the principal, presented the successful competitors with the prizes. The result of the events yesterday

norning was as follows: Putting the shot, senior-1, Fawcett: Ritchie, 32 ft. 4 in. Standing broad jump, Clarke: 2. Kuhring.

school; Logan, 2nd; Tom Gilbert, 3rd; McLeod, 4th. Among the other prizes presented was a silver medal given by the Old Boys' Association for the best English essay, subject, "Independence For Canada." This was won by Courtland Otty of Hampton. The Fairweather memorial prize, a valuable set of books, presented for the best conduct, was won by David Ritchie of Newcastle.

After the presentation of prizes speeches were made by several of those resent, including the new head master, Rev. Mr. Hibbard, who will arrive in Rothesay early in July. It was learned with much pleasure that Mr. Moore, who has conducted the school for many years with such success, will remain for another year as assistant head master.

Another appointment to the staff

was C. Stanley Bridges, B. A., who recently was graduated with high honors from the University of New Brunswick. There were many words of praise Messrs. Learment and McLellan of Halifax, who have been assisting on the teaching staff for the last two onths. Both were very popular with the masters and the boys The hospitality of the school was as cordial this year as usual. There were

Fine Programme of Sports Carried Out Commons Pass Anti-Smoking Bill and Bill to Increase Powers of Ry. Commission -House Down to Business

> session with prolonged waste of time sputter. As a result the commoners stuck closely to business and considerable progress was made in clearing off

Most of the day was taken up with discussion of Hon. Mr. Graham's bill enlarging the powers of the railway commission by placing telegraph and telephone companies under its urisdiction, and in other important repects.

There was considerable discussion of he various clauses of the bill, but no mendments were made, and the bill low stands for third reading. Mr. Graham explained that one of the clauses of the new bill fulfilled the promise made earlier in the session, and would enable the board to see that the agreements by the railway com panies with municipalities were faith-

vided for reciprocal demurrage by the empowering commission to impose pen alties upon the railways for delay in furnishing cars or delivering freight During the evening session Hon. Mr Aylesworth moved the second reading of the bill to restrain the use of to bacco by young persons.

fully carried out. Another clause pro-

Mr. Miller suggested that the age limit be fixed at eighteen instead of sixteen years, as proposed in the bill. Mr. Aylesworth pointed out that the somewhat drastic in its provisions. It absolutely prohibited the sale of cigarettes, eigarette papers and tobacco in plenty of refreshments for the guests any form to boys, whether for use or not, and after careful consideration he had reached the conclusion that to fix the age limit at sixteen would be to go a good distance for a first step. Mr. Wright (Renfrew) said his exper-

ience was that boys were boys until they were eighteen. (Laughter.) Mr. Henderson also supported the amendment. There were, he said, some men of 25, and even more than 25, who required to be restrained. He did not think cigarettes were good for anyplayed for a programme of fifteen

Dr. Schaffner favored the age limit dances. The affair broke up about 12 being raised above 18 Dr. Black did not think that any ation did not take place, as most of youth under 21 should be allowed to
