Lee, and Leonard Mears; Delegate to Grand Lodge, Arthur Hills. were four candidates initiated and altogether Lodge Salisbury has had a very prosperous year. *****

To The Editor

ABOUT THE NEW GAS.

To the Editor of The Courier: Sir,-Seeing that the piping of natural gas from the Tilbury fields to Brantford is about to become an ac complished fact, it seems to me that complished fact, it seems to me that twould be but fair that the consumers should know what manner of stuff the gas from that district really is. gular, as others, besides myself, must the know that the Tilbury article is very Signature of Classification. gular, as others, besides myself,must different from that which has been;

from the Hydro Electric Commission for right of way for the main line through the links. The Commission will require 16 feet right of way along the river bank. The dance commimtee reported arrangements are completed for the New Year dance. The invitations will be issued on Monday Indications are for the most successful dance ever held under the airculate. dance ever held under the auspices

The Brant Historical Society have now secured the photographs of all the Wardens of Brant County. Enlarged photos will be made and these will be handsomely framed and hung in conspicuous places in the Control House. As soon as this activity has been brought to a climax, the pictures of the Mayors of the city will be given prominence. Already City Clerk Leonard, who is chairman of the committee in charge of these activities, has been given a photograph by several of the Mayors.
