Toronto, Oct. 10.—11 a. m.—Fresh to strong northwesterly winds, fair and cold, a few local snow flurries Thursday, fine with about the same temperature.

LOCAL

The Fur Store, the Gordon Store, Ben. Harper, of the Chatham football team, made a fine showing on the full-back line last evening.

Lacroix street and Mitchell's Bay football teams played a game at Mitchell's Bay yesterday, which resulted in a victory for the latter by a score of 5 to 1.

A Pedro party was held in St. Joseph's Hall last evening by the Young Peoples Society of St. Joseph's church. Miss Tressa Bloude was the prize winner.

Special Theatrical Electric cars from Wallaceburg to-morrow night for John Griffith in King Richard the Third.

Owing to a typographical error, Wm. Foreman & Co.'s advertisement read in yesterday's issue Glen Tartans per yard 10 cents, instead of \$1.00. Any one who looks at these beautiful goods will readily agree they are well worth \$1.00 per yard.

Preventives, as the name implies, prevent all Colds and Grippe when taken at the sneeze stage. Preventives are toothsome candy tablets. Preventives dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Preventives are thoroughly safe for children, and as effective for adults. Sold and recommended in 5 cent and 25 cent boxes by C. H. Gunn & Co., Chatham.

SALADA TEA

In this age of agitation for pure, clean foods, it is refreshing to know that "SALADA" Ceylon Tea is sold to the public in all of its native freshness and fragrance, preserved in sealed air-tight packets direct from the gardens to the consumer, insuring a cup of tea "in perfection" hitherto unknown.

This fact is alone accountable for its enormous and ever-growing popularity. But as in the case of many other successful articles, many worthless imitations abound, therefore, it is necessary to demand "SALADA" and steadfastly refuse substitutes.

She faced the autumn wind—
Her lips were cracked, her hands were chapped

DIED IN DETROIT

The funeral of the late G. W. Merriam, who passed away in Detroit, takes place at two o'clock Thursday afternoon from the residence of his daughter, Mrs. E. Jordan, 33 Grant street, to the Maple Leaf Cemetery. Deceased was 90 years of age and was well known in this city, where for a number of years he carried on a business as a boat builder. He was also a veteran fireman, and a member of the Baptist church. He was a widower, his wife having passed away in Detroit in 1903. He has been ill himself just a few days, and passed away at the residence of his daughter, Mrs. H. W. Hannaford.

WITHDREW THEIR TENDERS

The Maple City Oil and Gas Co. this afternoon handed in a written statement to City Clerk Merritt withdrawing their tender for a franchise to pipe the city with natural gas.

The reason assigned for their action by the company of the company is that the Council received and opened up the tenders again after it had been understood that they were to be finally dealt with.

POLICE COURT

Claude Piror, colored, came up before Judge Houston this morning on a charge of assaulting another man who had taken his job after he—Piror—had quit. It cost him \$5.75 in all.

Geo. Gregg was up on a charge of stealing a coat.
He was discharged, there being no evidence against him whatever.

A half-dozen small boys will come up to-morrow on a charge of abusing a fellow-pupil at school.

WELL WAS SHOT

The Maple City Oil and Gas Co.'s well on the Irwin farm, Tilbury, was shot yesterday, and is making a phenomenal showing.

Oil was thrown out of the well with such force that it went high above the derrick and was scattered hundreds of yards over the vicinity. The directors are jubilant. There is quite an amount of local capital invested in this well.

Last night the well was reported to be flowing at the rate of from 50 to 60 barrels an hour.

A DELIGHTFUL WINTER RESORT.

It is announced that this year the Canadian Pacific Railway Company's fine hotel at Caledonia Springs, Ont. will be kept open for accommodation of visitors all winter. The company has great faith in Caledonia Springs as an all-year-round resort, something better than a mere summering place, and this action will without doubt be appreciated by many people to whom the Springs have been hitherto closed more than half the year owing to lack of accommodation. Call on E. Fremlin, Opera House Block, for booklet entitled "Caledonia Springs."

BANQUETS HIS COMPANY

Adjutant Fred. Stone Provides Spread At Mounteer's

AN UNIQUE TOAST LIST

After drill last evening the members of "C" Company of the 24th Regiment were invited over to Mounteer's restaurant by their retiring captain, Adjutant Fred. Stone. At Mounteer's Adjutant Stone had a banquet waiting for the boys.

The restaurant was appropriately decorated for the occasion with emblems and flags, while each of the napkins used bore the colors and design of the Union Jack. After the wants of the inner man had been thoroughly attended to, the cigars were passed, and the genial Adjutant presided as toast-master over the following list:

The King—Responded to by the entire Company.

"C" Company—Responded to by Color Sergeant Morley and Sergeant Guttridge.

"D" Company—Responded to by Lieut. George Smith.

24th Regiment—Responded to by Major Massey.

The Staff—Responded to by Sgt. Major Clements.

Our Host—Responded to by Quartermaster Sergeant Mounteer.

In responding to the toast to the Regiment, Major Massey made the interesting announcement that "C" Company would shortly be given another banquet by their new captain, Capt. O. L. Lewis, who was unable to be present at last night's spread.

A very enjoyable evening was brought to a close by the singing of "Auld Lang Syne."

"C" Company was the first formed in the 24th Regiment, and dates back six years. It was first under Capt. Mowbray, and since that time has always been looked upon as the banner Company of the Regiment.

THE COUNCIL IN TILBURY

Visit the Gas Wells on a Trip of Investigation.

THE GAS IN ABUNDANCE

The members of the City Council, in company with a number of the oil and gas magnates paid a visit of inspection to the Tilbury fields yesterday. The party left Harrison Hall yesterday morning at 10.30. They were taken out to the fields in about a dozen conveyances.

The delegation consisted of Mayor W. S. Marshall and Aldermen Austin, Scullard, Stone, Benson Radley, Potter and Massey, City Clerk Merritt, City Engineer Jones, and Messrs. Owen Sawyer, Stevens, Cowan, Aitkin, Engan, Symms and the Coats brothers.

The day was cold, and there was a rather bleak wind blowing, but all were in good spirits, and the trip proved enjoyable as well as instructive to the aldermen, who were desirous of obtaining practical information with regard to the gas fields.

The ground was covered quite thoroughly, and every gas well in the vicinity was visited. At the Halliday well, which is blocked in, and is said to have a tremendous rock pressure, test was given. Gas was turned on through three of the vent pipes and ignited. The flames came out with a terrific roar, followed by a miniature explosion when they were lighted. The flames shot out several rods in length. The visitors were satisfied that there is indeed a strong pressure in this well.

Lunch was served at Mr. Halliday's home, and Mr. Halliday and family were more than hospitable.

The aldermen returned late in the evening, all thoroughly tired out with their day's exertion, ready to enjoy a solid night's sleep.
