International Bible Lesson for To-morrow—Christ's trial before Pilate—Mark 15, 1-15.

Golden Text—"Then said Pilate to the Chief Priests and to the people, 'I find no fault in this man.'"

This lesson should be studied with prayerful reverence; the shame and agony of the Son of God should melt our hearts.

Note, if our Lord's own disciples so misunderstood His character and mission as to contend, even at the last supper, which of them was the greatest (See Luke 22:24) how completely blinded by the evil one must have been the priests, the rulers of the people and the mob, in regard to Jesus Christ. He had but three trials—once during the night by the Jewish Council and High Priests; a second before Herod, Governor of Galilee; and the third before Pilate, Roman governor, without whose consent Jesus could not be put to death, and whose verdict was "no fault in this man." The silent dignity of his prisoner must have awed Pilate, but he feared more the priests than the people, and though desiring to release Him and pronouncing Him guiltless, delivered Him up to be crucified.

He suffered under Pontius Pilate. This feeble-spirited ruler was soon over-ruled. Hounded on by Satan and the spirit of envy in the Jewish hierarchy, with their spurious zeal for religion, they desired the release of the leader of a murderous sedition, while charging the Immaculate One with that very sin. From a thousand throats came hosannas but a few days ago, now no mercy, no pity and not a friend to stand beside Him. "Despised and rejected of men, He trod the wine press alone, and of the people there was none to help Him." Barabbas was released, Jesus was delivered to die. He goes to His death as the sinner's substitute, and whose ever believeth on Him shall not perish, but have eternal life.

Do not then believe on the Son of God?

PILLS AND PILLS.
A prolific cause of Piles is the use of cathartics and pills of a drastic, violent nature.

Followed by a reaction on account of the resinous, drying properties they contain.

There are other causes, but no matter what the cause or what the kind of Piles, Dr. Leonard's Hem-Roid can be relied upon to cure to stay cured.

It is an internal remedy that removes the causes of Itching, Blind, Bleeding or Suppurating Piles.

A guarantee goes with each package containing a month's treatment. It can be obtained for \$1.00 at drug stores.

Sold by C. H. Gunn & Co., Central Drug Store, Chatham.

RUSSIAN WOMEN.
The Russian women of the nobility are perhaps the most highly educated of any nation in Europe. Women have long been able to take diplomas in medicine and surgery and are admitted to governmental employments. Russian ladies are noted for their linguistic abilities, but in addition to accomplishments, girls of position are expected to take a diploma in some branch of domestic economy before leaving school, such as sick nursing, the care of children or dairy work.—Indiana's Sentinel.

OLD AGE.
Old age as it comes in the orderly process of Nature is a beautiful and majestic thing. The very shadow of old age which threatens it, makes it the more prized. It stands for experience, knowledge, wisdom and counsel. That is old age as it should be. But old age as it often is means nothing but a second childhood of mind and body. What makes the difference? Very largely the care of the stomach. In youth and the full strength of manhood it doesn't seem to matter how we treat the stomach. We abuse it, overwork it, injure it. We don't suffer from it much. But when age comes the stomach is worn out. It can't prepare and distribute the needed nutriment to the body, and the body, unenriched, falls into senile decay. Dr. Pierce's Golden Medical Discovery is a wonderful medicine for old people whose stomachs are "weak" and whose digestions are "poor." Its invigorating effects are felt by mind as well as body. It takes the sting from old age, and makes old people strong.

It is easy to make a woman believe she is a person of consequence.

It is difficult to find the better side of people who are one-sided.
