Cathartic Pills

Sombine the choicest cathartic principles n medicine, in proportions accurately adiasted to secure activity, certainty, and miformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remdy yet discovered for diseases caused by lerangement of the stomach, liver, and bowels, which require prompt and effectual treatment. Ayen's Pitts are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purety vegetable substances they are positively free from calomel of any injurious properties, and can be administered to children with perfect safety. ombine the choicest cathartic principle

Aven's Pills are an effectual cure for Constipation or Costiveness, Indigestion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness Billiousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhea, Dysentery, Gout Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.

As a Dinner Pill they have no equal. While gentle in their action, these PILLs are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.
