His Maiden Speech. (Dundas Banner.)

(Dundas Banner.)

Mr. W. O. Sealey, M. P., made his maiden speech in the House of Commons last week and it is reported as having been very neat and made a good impression on both sides of the House. He appeared to have familiar knowledge of the methods of opening tenders in Britain, Canada and the United States, and presented a far more practical description af the matter than had any previous speaker more practical description at the mat-ter than had any previous speaker which resulted in changing the trend of the entire discussion and discourag-ing the adoption of the United States system. Mr. Sealey is there to DO things and will be an intelligent and useful representative.

Even the laundryman may have to-

NEW BROKERAGE FIRM.

A new firm of brokers is now doing business in Toronto. Messrs. F. R. Bartlett and Company, Limited, have opened offices, which will occupy the whole of the fourth floor of the new Royal Bank Building, 12 King street east, to carry on a banking and brokerage business. They possess connections in New York and London, Eng. One of the main interests of the company will be the Bartlett Mines, Limited, with which both the partners in the firm are largely interested.

Mr. F. R. Bartlett, the senior member of the firm, is well known in the transport of the firm, is well known in the transport of the firm is the senior member of the firm, is well known in the transport of the firm seed to the firm to the transport of the firm to the firm to the firm to the transport of the firm to the transport o

ber of the firm, is well known in the tation near the elbow became necessary, city, where he lived as a boy. He has The old A. C. Smith estate, near this city, where he lived as a boy. He has been in Dominion Bank for eleven years, and, after occupying positions in a number of towns, was made manager if the North-end branch of the bank in Winnipeg. He resigned from that position in order to return his native city to start in the brokerage business. Mr. Bartlett possesses many friends here who will be interested in his new enterprise.

The other member of the firm is evening, the 24th Feb. Mr. J. W. Bartlett. He is a mineral-worth going to hear Mr. J. W. Bartlett. He is a mineralogist and was a primary mover in the
exploitation of the properties at Gow
Ganda, now so well known through
the country as the Bartlett Mines.
His expert knowledge of the mineralogy
fits him expecially. for the task of ts him especially oking after the for the task field work of ompany, which will engage much is time. He left last night for his time. two weeks' trip in the new mining district. While away he will verify the reports of finds, which are increasingly favorable, and which establish the standing of the mines as one of the best propositions in the land of silver.

The Free Methodists intend having their quarterly meeting on Sunday, the 7th, commencing at 10 o'clock in the morning and 7.30 in the evening. Rev. Mr. Ben will preach.

There will also be quarterly meeting in the White Brick on Sunday, the 7th. The bear saw his shadow, all right, on Tuesday.

The funeral of Mr. Thomas Weldon

The funeral of Mr. Thomas Weldon took place from his son Albert's home last Friday to Book's Cemetery. Rev. Dr. Scanlon conducted the service. Mrs. T. M. Brown and son are visiting in Brantford at Mr. Harry Kirby's.

LADIES' NIGHT AT Y. M. C. A To get some hints on how to acquire a symmetrical figure one should attend the ladies' night entertainment at the 12th, and see forty or fifty young women go through rhythmical and body building exercises, illustrating work that can be done by women of all ages. Another special feature for that evening will be the basketball match between two women's classes. They will handle the ball, shoot, check and pass with the tactics of the senior team. The reserved seat plan is filling up nicely, but those intending to secure reserved seats should do so at once. Pian at the Y. M. C. A. office or Y. W. C. A.

NEWSBOYS CLASS.

The newsboys' Bible class at the Y, I. C. A. was filled last night, when 50 oys studied the life of St. Paul. The gymnasium floor was completely cover-ed when the boys played basketball. The competition is very keen, and last night two of the most evenly matched games animals.

Geo. Adams, 126 West avenue north—Hand-sewn quilt of 14,000 pieces. This quilt took three years in the making, and as an example of fine needlework, patience and skill in design, is certainly a masterpiece.
