George Parsons has turned agriculturist this season, and is working his farm in thorough style. He looks as if the exercise agreed with him, and we wouldn't wonder to hear of our friend taking some of the prizes at the fall show.

A number of the members of the county council, accompanied by some of our townfolk, visited themselves of the invitation of Messrs. Young and Allan, to visit the Point Farm, on Thursday, of last week. We understand an enjoyable time was spent.

The Western Cyclist, (Michigan) thus comments on our recent descriptive article of the town:—"THE HURON SIGNAL of May 30, gives a complete description of Goderich, the paradise of wheelmen." And so our pretty town is advertised abroad.

Among those who received the degree of B.A. at Toronto University was Hugh Davison, a pupil of Goderich high school. This is creditable, as Mr. Davison lost much time in the last term through illness, having been prostrated by a severe attack of typhoid fever.

The bus business is booming in town just now. There are three free buses, one being run in the interest of the Albion, the other for the British Exchange, and Swartz is running the third in a general way. The passengers to and from the station look gleeful.

M. Nicholson, while returning from the Point Farm on Thursday last, was crowded by a team while passing, and was thrown out of the vehicle, sustaining an injury on the face and a badly sprained arm. D. Doty, collector of customs, who was with him was also somewhat shaken up by the "out-turn."

Our genial cotemporary, the Hamilton Spectator, has removed into its new quarters, and last week gave an interesting sketch of the history of the paper. The Spectator is popular with all classes, being witty, newsy and full of push. At no time was the "Spec." in better condition than under its present management.

Ven. Archdeacon Elwood, and Rev. J. Walters, will leave on Monday next, attended the meeting of Synod to be held in London next week. This will be the first Synod under the administration of the present bishop, and will no doubt be of a highly interesting nature.

The concert and organ recital, to be given by the managers of Knox's church is under the control and direction of Miss Fish, organist of the church. Mr. Foote has kindly consented to render a number of selections during the evening. Through inadvertence, a wrong impression was conveyed through our local columns last week regarding the management of this concert.

Mrs. Castlemaine (colored) was charged on Monday with violently assaulting Mrs. Wilson one day last week. The mayor after hearing the evidence committed Castlemaine to stand her trial at the first competent court of jurisdiction.

On Wednesday morning the grand jury brought in a true bill against her for assault, but it was found that the bird had flown, having jumped her bail.

J. Curtis Stevenson, general secretary of the Huron Sunday School Association, represents that body at the International S. S. Convention held this week in Louisville, Kentucky. Mr. Stevenson will be among the most attentive members of that vast gathering, and will bring home many "crumbs" for the next county convention, which by the way, will be held in Seaford next February.

PRESENTATION.—On Monday evening a number of the scholars in Miss Lizzie Wilson's S. S. class (North street Methodist church) met at her residence, and gave her a pleasant surprise by presenting her with a handsome autograph album, and a very pretty and uncommon birthday card; also an address expressive of affection and regard. Miss Wilson is popular with both pupils and associates.

BUNCHER RHUBARB.—The finest bunch of rhubarb we have yet seen was brought into our office by Charles Walls, market gardener, on Wednesday. It is called the "English Giant," and the roots were imported by the grower. The larger stalks range from 3ft to 3ft 5in., with leaves over two feet in length. The bunch of ten stalks brought down the scales at 12 lbs. 2 oz. Mr. Walls is away ahead on rhubarb.

INTERNATIONAL I. O. O. F. DEMONSTRATION.—It has been decided to hold an Oddfellows International Demonstration, at Brockville, Ont., on July 9th, 10th and 11th, which gives promise of being the greatest gathering of the kind ever held in Eastern Ontario. The Executive Committee—at an expense of over \$3,000—are perfecting an elaborate programme for the entertainment of Oddfellows and other guests.

The people of Winnipeg appear to be a music loving people. Oratorios are frequent and popular, and at the presentation of Mozart's "Twelfth Mass" on the evening of Tuesday June 3rd the Sun says a "magnificent audience" assembled. Mrs. F. H. Hick sang an alto solo, which was highly spoken of by the city papers. The Sun says:—"Mrs. Hick deserved all the praise which was heaped upon her by a delighted audience."

The Canadian Electrical news, of Montreal, makes the following flattering reference to a young man who learned to work the tinker in Goderich:—"Charles Noble, who does the principal presswork at the main office of the G.N.V., is a very fast operator and an excellent receiver. The copy he makes is such as we should like to see from all who aim to rank as first-class telegraphers, but it is not strange for a Noble to be the noblest Roman of them all."

The volunteers are organizing for the camping on Carling's Heights, London, and almost every evening can be seen at the armory, going "through their paces." Tuesday evening last they marched around the square, and one of the number who had not got quite over the intricacies of the "goose-step" tripped and sent his bayonet through the window of a shoe store. This is the only casualty that has occurred thus far to mar the harmony of the camp preparations.

Mr. John McGillivray, son of Rev. A. McGillivray, at the recent examinations of Toronto University obtained the degree of B.A., with honors in Hebrew, Chaldaic and English at the final examinations of both University College and Toronto University. He was baccalaureate prizeman in Hebrew and Chaldaic. His course throughout although broken by frequent indispositions, has been a good one. He supplies the pulpit of Knox church, St. Marys, this summer, during the absence of the pastor, Rev. W. A. Wilson, M. A.

MINISTERIAL CHANGES.—At the recent meeting of Conference the following are the places in this district where changes have been made: Gorrie, Jas. Charlton; Belmore, J. R. Lybell; Fortwich, B. Sherlock; Palmerston, C. E. Stafford; Trowbridge, Wm. Willmott; Fullarton, E. A. Fear; Menckton, Jas. Kennedy; Kirkton, J. J. Cruickshank; Hansall, Alfred E. Smith; Lonsdale, John Hough; Lucknow, A. G. Harris; Teaswater, R. W. Williams; Dunganon, John Turner; Auburn, H. E. Hill; Bervie, Geo. Jackson.

The Victoria, B. C., British Colonist, of May 28th, says:—"Rev. A. B. Meldrum preached in St. Andrew's church, on Sunday morning and evening. The church was full on both occasions. Mr. Meldrum is assistant pastor of St. John's Presbyterian church (Dr. Scott's), San Francisco. He received his theological education at Knox College, Toronto, and only received his ordination a short time ago. His sermons show depth and strength of thought, and his earnestness inspiring. Mr. Meldrum will probably preach at St. Andrew's church next Sabbath."

THE DETROIT BICYCLERS.—We have received the circular and time-card of the Detroit Bicycle Club, in connection with their proposed Canadian tour. They propose to reach here on Thursday, the 17th of July. The circular says:—"Goderich will be reached at 11 a.m., giving the rest of the day and evening to explore the elegant roads and lovely scenery of that famous watering place and vicinity." Goderich has an enviable reputation among the wheelmen of the United States, and such circulars as the above are a good advertisement for the town as a summer resort.

TEMPERANCE LECTURE.—Thomas McMurray, one of the agents of the Ontario Prohibitory League preached in the Methodist church on Sunday, and on Monday delivered a lecture on Temperance in the North street church, lecturers room. The lecture was an able and eloquent one, and the speaker had the close attention of his audience throughout. He alluded to the benefits of total abstinence, instanced some of the evils of drinking habits, and dwelt upon the beneficial effects of temperance legislation. A cordial vote of thanks was tendered the speaker for his excellent address.

IMPORTANT TO HOTEL-KEEPERS.—A case was decided in the Court of Appeal on Friday in which it was decided that a hotel-keeper could not be held responsible for goods which had been left at his hotel after the guest had departed. In 1882 one Plain left a trunk at the City hotel, Toronto, and neglected to call for it for a considerable time. When he claimed his trunk it could not be found, and he brought an action against the proprietor of the place, Mr. Reed, to recover the value of the trunk. The case was decided in favor of the plaintiff at the County Court, but the Court of Appeal reversed the decision, holding that a hotel-keeper is only bound to take the same care of a guest's goods after he has paid his bill as he would his own, and is only liable for negligence.

On Tuesday a casket containing the body of Solomon Pollock arrived at Clinton from the North-west en route for his late home near Brucefield. The facts of the death are tragic. In the vicinity of Maple Creek N. W. T., on the morning of Wednesday of last week, Indians were caught in the act of driving a number of horses out of a corral, close to the house owned by Solomon Pollock and partner. Mr. Pollock went to ascertain the cause, without firearms. He got into the corral, where he saw an Indian driving out the horses. He clinched him, and during the struggle was shot twice in the right breast. He lived but two hours, and told the above story. The Indian left his rifle, knife and moccasins behind. They have little hopes of finding the murderers.

On Friday afternoon Saunders & Son's horse started from behind their store, and made tracks for his own stable at a good speed. Coming around the square from St. Patrick's street, the animal put on a spurt, and showed up in great shape. Bingham's horse was standing quietly in front of the flower store, and picked up his ears at the sound of the approaching runaway, after which he hastened with all possible alacrity to get out of the way, and hurriedly crossed to the chains, taking his wagon behind him. Bingham's horse is a solid old stager and didn't run fast, but succeeding in damaging the vehicle to some extent. Saunders' horse continued its career at full flight, and having got rid of its wagon on South street, finally pulled up at its own stable, little the worse for its lively escape.

SERIOUS ACCIDENT.—On Saturday afternoon while driving on the Huron road with his wife and two young children, Mr. Mauger, book-keeper at the Harbor Mills, stopped the horse at a friend's house, and had just got out of the buggy to assist the others out, when the horse sprang suddenly forward, overturning the vehicle, and throwing Mrs.

Mauger and children violently to the ground. The sudden upsetting of the buggy flung the horse down, but before the animal could rise to his feet he was secured by his owner. Mrs. Mauger received some bruises about the head and face, and the eldest boy escaped unhurt. The youngest child, a boy of a few months, sustained a fracture of one of his legs. The buggy was considerably damaged. At last accounts the little sufferer was making very favorable progress.

SCOTT ACT.—At a meeting of the Executive Committee of the County Convention held at Clinton last Wednesday afternoon, D. D. Wilson in the chair, 20 Vice-Presidents were present who gave an account of the prospects of the coming fight. Blank petitions were distributed for each municipality, and a discussion on the general instructions entered upon. The amount of money required for carrying on the work in the County was divided among the various municipalities as follows:—Ashfield \$80, West Wawanosh \$90, East Wawanosh \$90, Morris \$90, Grey \$125, Turnberry \$150, Howick \$150, McKillop \$150, Hullett \$125, Colborne \$100, Goderich township \$100, Stanley \$100, Hay \$80, Stephen \$80, Caborne \$125, Tucker-smith \$100, Goderich \$125, Clinton \$150, Seaford \$150, Wingham \$100, Brussels \$50, Exeter \$100, Bayfield \$50.

THE LORD'S ARMY.—During the week the Army has met with much success. A number of young men and youths have been converted, and the meetings continue to be largely attended. On Monday a reinforcement from Clinton in charge of Lieut. Rielly, assisted by Mr. Young, and a number of "Hallelujah" lads and lasses, came up, and as the visitors were fond of singing, a lively meeting was held. Lieut. Bickle, of this station, paid a visit to Clinton on Tuesday, and says he had a good time. Capt. Piper and the lieutenant, and T. Angus, whom the Battle Cry calls the "blood and fire sewing machine agent," will attend a "jubilee" at Mitchell on Tuesday next. On that night a Bible reading will be held in the Temperance Hall instead of the usual service. All attending are requested to bring their Bible, and a pencil and paper for notes will prove of assistance. The subject of the Bible reading will be given out on Sunday.

The Independent Blade, of Meridian, Texas, thus discourses on the doings of some of our friends in the Lone Star State:—"Geo. B. Johnston came down last Saturday from his 'Canada Bazaar' which is situated on the East Boque in the northwest corner of this county, and paid the Blade a most pleasant visit. The Johnston Bros. are from Goderich, Canada, and have a splendid stock-ranch, devoting most of their time to sheep, and we are glad to learn have met with good success in their business venture in our country. The father of our ranchman friends, Hugh Johnston, spent the winter and spring months at the ranch. The latter recognizes the worth of our Texas soil and this spring raised a fine garden. To him we are indebted for a large basket of fresh potatoes, beans, peas, beets, radishes, turnips and lettuce. Mr. Johnston will doubtless be able to impart some valuable information regarding Texas when he returns to his Canada home this summer. A good report from such a man as he is worth more to the state than a year's work of an immigration agent."

THE REIDY CONCERT.—Miss B. Reidy, the popular vocalist, and her concert company, gave one of their evenings of song in Victoria Hall on Thursday last, to a very fair audience, considering the short notice given. Miss Reidy, of course was the star. She was in excellent voice, in the best of moods, and she sang her various pieces with that feeling and sweetness which stamps her as one of the most gifted songsters of Canada. Her rendition of "Theres a dear spot in Ireland" brought moisture to many eyes, and the Scotchmen present were captivated by the way she gave "Coming Thro' the Rye." Miss Johnston, contralto, has a sweet voice and a modest manner, and although evidently pleased as a foil for the Irish-Canadian nightingale, made a good impression. Prof. Morris was under the weather, and could not do justice to his high notes. He showed at times that he possessed a good tenor voice, but it was decidedly an off night for the Professor. Mr. Lewis, the baritone, is one of the most pleasing male vocalists in the P-winton. He has a splendid voice, clear enunciation, and gives good expression to his singing. He divided the honors of the evening with Miss Reidy. Mr. Keller, the accompanist was dropped on the road, but the quartette, notable Miss Reidy, were all equal to the task of accompanying one another, and there was no hitch in the programme. We are glad to know that the company intend visiting Goderich again in the fall, and we predict for them a full house.

First and Best Cheap Railroad Trip of This Season.
