Then hurried toilet ablutions, al white Mother Hubbard with a pink satin bow and shoulder knot, takes the place of the waist and skirt which were "good enough for home." The old slip-shod slippers are replaced by pink hose and opera ties. There is a hasty skirmish with the powder puff, a christening dash of cologne, and with an embroidered moucher in her hand the young lady descends to the parlor and finds her younger brother on intimate terms with the caller, who is no other than her escort of the previous evening when she was arrayed in purple and fine lace. He does not realize that she is en masquerade just now as much as she was then; that he is the hero of a scene in real life, and that if he had met her in the hall as she appears in the bosom of her family he would probably have mistaken her for her own maid, He could scarcely, with this vision before him, be brought to understand that her young ladyhood is so completely a matter of personal adornment. It would be almost a safe thing to as-

sort that out of fifteen young ladies of leisure only five could be seen at a morn- they acquire the rich yellowish-brown ing call without the required wait of half for which the best pipes are noted, and an hour.
