FALL

DRY GOODS!

Our Exhibit of New Goods for this

season is now open.

YOU ARE INVITED.

JOHN ACHESON.

NILE.

From our own correspondent.

Mr Wm May, of Ashfield, and Miss Eliza Smith, of Colborne, were married last Wednesday, the 25th Sept., at 10 a.m. After dinner they started on their bridal tour. They expect to visit Galt, Paris, Hamilton, and spend some time in Wentworth county before returning to the Nile. Rev H Irvine tied the knot.

The Y. P. C. E. Society elected their officers last night: Miss Aggie Morrow, president; Miss Emily Curry, sec., and Miss Hetherington, treas.

Chas Girvin, jr., and his wife are visiting Mrs Girvin's friends down East, taking in Toronto exhibition on the way. During Miss Ida Plummer's illness, Miss Robertson, of Colborne, is teaching the junior department in the Nile school. We are glad to hear Miss Plummer is recovering, and hope soon to see her able for her work.

Fall plowing and threshing are the chief topics of interest since the fall shows ended.

Potatoes are a fairly good crop. Where planted on porous soil before the spring rains, they are an extra good crop.

LOCALS.

From our own correspondent.

Mr Alex. L. McKenzie, and wife and Mr Kenneth Finlayson, formerly of this place, are about to return, after a short visit among their friends to their present home in Calumet, Mich.

Messrs. D. Finlayson and J. McDonald, of Lochalsh, have returned after taking in Detroit fair.

Messrs. E. and A. Silico, of the vicinity of Glenora, have returned home after a short visit in Lochalsh and Lucknow.

We are sorry to relate the death of the youngest son of Mr D. N. McKenzie, who died of dysentery on the 20th of Sept.

Mrs H. Chambers, is gone down to Guelph, to attend on her sister, who is very sick at present.

On some farms around here are large gullies from which deep holes lead into the earth. A lamb belonging to Mr Duncan McRae was missed from the flock and was supposed to be stolen, when twenty-four days afterwards it was found stuck fast in the small opening of the large hole, kind of slim after its twenty-four days' fast.

A short time ago we read in the *Witness* of an apple tree having, at the same time, a load of fruit and a coat of blossoms. Something similar can be seen in Mr Allan McKenzie's orchard, where, a plum tree after bearing this season already is now covered over again with another coat of blossoms.

The front fifty acres of lot 43, owned by Jno. Giesels, of Kincaid, that Messrs Greer and Ross, of Lucknow, had rented for 1889, was sold to Thos. Ray of Pine River.

Listen—a song of rejoicing.
Hearts that were heavy are glad.
Women, look up and be hopeful.
There's help and there's health to be had.
Take courage, O women, be brave and stout.
And drive back the foe that you fear
With the weapon that never will fail you.
O, be of good cheer.

For when you suffer from any of the weaknesses, "irregularities," and "functional derangements," peculiar to your sex, by the use of Dr Pierce's Favorite Prescription you can put the enemy of ill health and happiness to rout. It is the only medicine for women, sold by druggists, under a positive guarantee of satisfaction in every case, or money refunded. See bottle-wrapper.

For all derangements of the liver, stomach and bowels take Dr Pierce's Tablets. One a dose.

Mr Edmison, who has for some time resided with his son-in-law, Mr W. Askwith, of the Maitland Block, Hurler, died somewhat suddenly last week. A couple of days before he died he was working outside and joking with a neighbor as to how well he felt, and the prospects of enjoying life for some time to come.

Consumption can be cured
By proper, healthful exercise, and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which contains the healing and strength-giving virtues of these two valuable specialties in their fullest form. Dr D D McDonald, Port Huron, N. B., says: "I have been prescribing Scott's Emulsion with good results. It is especially useful in persons of consumptive tendencies." Sold by Druggists, 50c and \$1.

DUNLOP.

From our own correspondent.

A. C. Macdonald, with his daughter, Mrs Chas Hawkins, of Shepparton, are visiting relatives in Detroit.

The jovial laird of Landowne farm last week received many hearty congratulations from his friends. It is another son.

A school bell for this S. S. has been given for our school by the member for West Huron Dominion house, R Porter, Esq. The request was made to him by your local scribe a short time ago, and the other day the amount for it was placed in his hands and the bell was then purchased from R. P. Wilkinson, hardware dealer. In a few days it will be placed in its perch in the school tower, and ring the hours for school the same as that in No. 6, Salford. Many thanks to Mr Porter for his useful gift.

HAD A BAD FALL.—Our architect when high up aloft on the roof of the new church he is building at Port Albert, moving some planks, lost his balance and fell a distance of fifteen feet to the floor below, breaking a rib, hurting his leg and sustaining a slight cut on the face. Though stunned for a moment or so, and helped up by the bystanders, Randal Graham kindly acting as surgeon, and dressing his wounds, he afterwards pluckily made his way homewards, being driven there. The good people of the Port were very kind and wanted to send for medical aid, which he refused, and in care of our Sick committee he is progressing favorably as we write.

Miss Hingston, of Joliet, Illinois, was in Brussels for a week visiting her mother. This young lady is a stenographer, and, along with her brother George, the reports of the courts in the above mentioned city are well looked after. Mr Hingston, who passed through such a prolonged siege of sickness, is once more able to resume work.

The man who wrote that man is only the creature of circumstances was evidently a failure.

A married woman with money in her pocket is one of the most invigorating sights in the world.

Sunday is a day when people work so hard getting ready that they are tired all day Monday.—*Atchison Globe*.

AUCTION SALES.

All parties getting their sale bills printed at this office will get a free notice inserted in this list up to the time of sale.

Decreasing the Death Rate.

The mortality among Consumptives has been materially decreased of late years by the use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda. Phthisis, Bronchitis, Abscess of the Lungs, Pneumonia and Throat Affections are completely subjugated by a timely use of this excellent pulmonary. Palatable as milk. Sold by all Druggists at 50c and \$1.
